CERTIFICATION AND MANAGEMENT GENERAL POLICIES

1. The WIC Program is the Special Supplemental Nutrition Program for Women, Infants, and Children. WIC provides specific nutritious foods and nutrition education to eligible persons. Refer to eligibility requirements below and the Administrative Reference (AR), VOLUME I, SECTION: TRAINING GUIDELINES AND PROGRAM DESCRIPTIONS: WIC PROGRAM.
2. All persons applying or reapplying for WIC must have their eligibility determined and meet eligibility criteria to receive WIC. Only criteria specified by the State WIC office shall be used for eligibility. Refer to WIC Eligibility Requirements in this section.
3. Certification is the process where an applicant is evaluated by established criteria and procedures to determine and document eligibility for the WIC Program. A subsequent certification to continue on WIC is referred to as a recertification.
4. Applicants for WIC services shall be determined eligible or ineligible within specific timeframes. These timeframes are the required processing standards. Refer to ["WIC PROCESSING STANDARDS AND SCHEDULING"](#) in this section, and the AR, VOLUME I, SECTION: LHD OPERATIONS, "APPOINTMENT AND SCHEDULING REQUIREMENTS."
5. WIC services and screenings must be provided at no cost to the applicant/participant. Refer to the AR, VOLUME I, SECTION: LHD OPERATIONS, "OVERVIEW OF PATIENT FEES AND SERVICES."
6. Agency staff shall avoid any situation that is or appears to be a conflict of interest. Refer to "Conflict of Interest" in this section and the AR, VOLUME I, SECTION: PERSONNEL, "EMPLOYEE CONFLICT OF INTEREST AND ETHICS ISSUES."
7. Eligibility or ineligibility must be clearly documented in the applicant/participant medical record. All applicable forms must be completed to support eligibility or ineligibility. Refer to ["INELIGIBILITY AND DISCONTINUATION OF BENEFITS"](#) in this section; the AR, VOLUME II, PATIENT REPORTING SERVICES; AR VOLUME I, SECTION: MEDICAL RECORD MANAGEMENT, "Guidelines of Medical Records" and the WIC Clinical Section, and Documentation/Medical Record Section.
8. All required services and data must be entered in the PATIENT SERVICES REPORTING SYSTEM (PSRS). Labels for WIC actions produced from data entry must be placed in the medical record. If the label is not printed, is not legible, or does not contain all information, a hand entry must be made for the required information on the service record. Refer to FORMS AND SUPPORTING INFORMATION, "RACE CARD", [FOOD DELIVERY/DATA](#) section and the AR, VOLUME II, PATIENT SERVICES REPORTING, "PATIENT REGISTRATION," "PATIENT ENCOUNTER FORM."
9. A person must not be enrolled or participating in more than one (1) WIC agency/site or in WIC and the [Commodity Supplemental Food Program](#) (CSFP) at the same time. To prevent dual enrollment or participation between WIC sites, the computer system performs a statewide search of participant information for matches. For areas that have a CSFP, a computer report of potential dual participants is produced for those agencies. Refer to [FOOD DELIVERY/DATA](#) section.
10. The opportunity to register to vote shall be provided at WIC application, certification, and transfer for women eighteen (18) years old and older. Refer to ["VOTER REGISTRATION"](#) in this section and to the AR, VOLUME I, SECTION: TRAINING GUIDELINES AND PROGRAM DESCRIPTIONS: WIC PROGRAM.

11. All applicants and participants have certain rights and responsibilities in the WIC Program and must be informed of these. Refer to [“RIGHTS AND RESPONSIBILITIES”](#) in this section.
12. Applicants/participants or their caretakers shall be provided information on other health related programs and assistance programs and referred when appropriate. Refer to [“RIGHTS AND RESPONSIBILITIES”](#) and [“OUTREACH AND COORDINATION”](#) in this section the PHPR, SECTION: GENERAL INFORMATION.
13. All eligible persons are assigned a priority based upon status and nutritional risk(s). Refer to [“STATUS AND PRIORITY”](#) in this section.
14. An eligible person who moves from one WIC site to another site during a valid certification period can transfer eligibility to continue the certification period and receive food instruments at the new agency/site. Refer to [“TRANSFER/VOC”](#) in this section.
15. An eligible person may continue on WIC until the end of his/her certification period as long as he/she is still eligible and complies with Program rules and regulations. If a reason for ineligibility or discontinuation of benefits occurs, appropriate action must be taken. Refer to [“INELIGIBILITY AND DISCONTINUATION OF BENEFITS”](#) and [“PARTICIPANT ABUSE”](#) in this section.
16. WIC services may be provided in the hospital or the patient's home when the need exists. Refer to [“HOSPITAL CERTIFICATION REQUIREMENTS”](#) and [“HOME CERTIFICATION REQUIREMENTS”](#) in this section.
17. WIC funding is based on participation. Refer to [“ENROLLMENT AND PARTICIPATION”](#) and [“CASELOAD MANAGEMENT”](#) in this section.
18. Eligible persons that cannot be served due to lack of funds must be placed on a waiting list. The State WIC Office is responsible for determining the funding situation and directing local agencies to maintain a waiting list. Refer to [“WAITING LIST”](#) in this section.
19. Information on the WIC Program must be provided to specific agencies and organizations. Refer to [“OUTREACH AND COORDINATION”](#) in this section.
20. In conjunction with quality assurance reviews, local agency staff must review WIC operations in all sites. This internal review shall be done a minimum of every two (2) years, and must cover local management, certification, nutrition education, participant services, civil rights, food delivery and food instrument/cash value benefit accountability, and financial management. A form or forms must be used to document review content and findings. The agency may develop review forms for this purpose or may request State WIC Office forms. Identified deficiencies must be corrected promptly by the local agency. Documentation of the internal reviews must be maintained for five (5) years. Refer to the AR, VOLUME I, SECTION: ACCREDITATION AND QUALITY ASSURANCE/QUALITY IMPROVEMENT, for additional information.
21. Each local agency must designate a [WIC Coordinator](#), a [Nutrition Education Coordinator](#), and a [Breastfeeding Promotion Coordinator](#) to ensure specific requirements of the Program are met. Duties are in “FORMS AND SUPPORTING INFORMATION” in this section.
22. All rules for confidentiality and protection of patient information shall be followed for WIC information. Refer to the AR, Volume I, Section: Personnel, “Health Insurance Portability and Accountability Act of 1996 (HIPAA)”; Section: LHD Operations, Information Technology, and Section: Medical Records Management, “Guidelines of Medical Records.”
23. Restrictions apply to the use of the dollar value of WIC benefits provided to a participant. Any requests or any information concerning the value of WIC benefits shall have the following restrictions:

- a. The value of WIC benefits shall not be considered to be income or resources for any purpose under any Federal or State laws including, but not limited to, laws relating to taxation, welfare, and public assistance programs.
- b. Benefits from state and local sources for food programs shall not be reduced as a result of WIC benefits.
- c. Sponsors of qualified aliens (sponsors have signed an affidavit of support) are not required to reimburse the state or federal government for WIC Program benefits provided to sponsored aliens.

CONFLICT OF INTEREST

1. Employees shall avoid any situation that is or appears to be a conflict of interest.
2. Employees should not provide services to any person that may present a possibility of or an appearance of favoritism or preferential treatment.
3. There must be separation of duties for WIC eligibility and issuance. This means that one employee must not determine income and risk eligibility and issue food instruments for the same participant; there should be at least two (2) staff doing the certification. It is acceptable for one employee to determine income eligibility and issue food instruments, and another employee to determine nutritional risk.
4. To prevent a conflict of interest, an employee shall not:
 - a. Certify oneself;
 - b. Certify a relative, household member, or close friend;
 - c. Determine eligibility for all certification requirements (income and risk) and issue food instruments for the same participant.
5. When circumstances prevent following the above restrictions, such as no other staff is available or one health professional is doing off-site certification, the certification may be done. However, records for the certification and issuance must be reviewed and signed by the supervisor.
6. Procedures must be in place to provide WIC services to employees, and relatives and household members of employees without a conflict.

WIC PROCESSING STANDARDS AND SCHEDULING

A. General Policies

1. Specific timeframes shall be met to determine a WIC applicant's eligibility or ineligibility, provide notice of eligibility or ineligibility, and if eligible, to issue food instruments. Refer to Timeframe For Initial Certification below, ["INELIGIBILITY AND DISCONTINUATION OF BENEFITS"](#) in this section, and the AR, Volume I, SECTION: TRAINING GUIDELINES AND PROGRAM DESCRIPTIONS: WIC PROGRAM
2. The timeframe begins the date the individual visits the clinic to request WIC services. This date is the date of initial contact, and shall be documented for all initial certifications. This date is documented by completing the "Visit Date." Refer to Kentucky CMS/EBT User Manual.
3. The name, address, and telephone number shall be recorded for all WIC applicants. This is done through the appointment system. If the appointment system is not used, a manual record keeping system must be maintained to document the required information.
4. Scheduling should take into consideration applicant/participant/caretaker needs, minimizing time away from work for working individuals, and distances for travel for individuals who reside in rural areas. Accommodations can be made through extended hours, lunch hour appointments, use of proxies, three (3) months issuance, mailing food instruments, etc. Refer to ["USE OF PROXIES"](#) in this section, [FOOD DELIVERY/DATA](#) section, and the AR, VOLUME I, SECTION: LHD OPERATIONS, "DAYS AND HOURS OF OPERATION."
5. Appointments should be scheduled for WIC services, i.e., certification, food benefit issuance and nutrition education counseling. If appointments are not routinely scheduled, they shall be scheduled for employed applicants/participants/caretakers to minimize time absent from work. Participants should leave clinic with an appointment for the next service. Patients that "walk-in" without an appointment should be seen if possible. Refer to the PUBLIC HEALTH PRACTICE REFERENCE (PHPR), Follow-up/Internal Tracking/Referral.
6. WIC services should be provided in coordination with public health and/or other health services. However, participation in other services must not be required in order to receive WIC benefits, nor can WIC benefits be withheld pending other services.
7. Scheduling and services may be coordinated for all household members by creating and maintaining a Household Record in the system to link the members. Refer to Food Delivery/Data, Screens, Household Record.
8. Documentation of all appointments and contacts must be in the patient's medical record. Refer to the PHPR, Follow-up/Internal Tracking/Referral.
9. A request by the applicant/caretaker/participant for an appointment outside the timeframe must be documented in the medical record, i.e., appointment scheduled per patient request.

B. Timeframe for Initial Certification

1. Applicants shall be processed in the following timeframe:
 - a. Pregnant women, infants, and migrants shall be a maximum of ten (10) calendar days from the date of initial contact.
 - b. All other applicants should be a maximum of ten (10) calendar days, but shall not exceed twenty (20) calendar days from the date of initial contact.

C. Recertification Scheduling

1. Recertification shall be scheduled prior to the end of the certification period to prevent interruption in or loss of benefits.
2. In cases where there is difficulty in scheduling for breastfeeding women, infants and children, the recertification may be performed no more than 30 days prior to or 30 days after the certification period expiration date. This 30-day grace period cannot be used routinely. Food instruments must be provided when the 30-day grace is used. When certification is done prior to the expiration of the certification period and the person is ineligible, the remaining WIC benefits for the current eligibility period shall be provided.
3. The certification period for a pregnant woman is for the duration of her pregnancy up to six (6) weeks postpartum. Recertification as postpartum for women participating during pregnancy must be scheduled as appropriate.
4. Each participant/caretaker must be informed that the certification period is expiring a minimum of 15 days before the expiration. Verbal notice at the last food benefit pick-up appointment before the recertification due date is appropriate.

D. Scheduling for Food Instruments

1. Food instruments shall be issued to the participant when informing the participant or caretaker of eligibility and certification. Extenuating circumstances may exist that preclude the immediate issuance of food instruments. For example, the fully breastfed infant that receives no food from WIC. Information should be in the medical record to support why food instruments were not issued at the time of certification.
2. For initial certification, the food benefit(s) shall be redeemable immediately and shall be valid for the current month or the remaining portion of the month if coordinating household members. Issue dates for household members shall be coordinated. Refer to [FOOD DELIVERY/DATA](#) section.
3. Food benefit pick-up appointments must be scheduled to prevent the participant from being without valid food instruments.
4. A maximum of three (3) months of food instruments may be issued at one time. Three (3) months issuance is encouraged to maximize benefits to the person, to maximize participation, and to reduce patient time in clinic.
5. WIC food instruments cannot be withheld to require the receipt of other services.

E. Missed Appointments/No Shows

1. Follow-up should be made for all missed appointments/no-shows to encourage continued services and participation. Patients requesting "no home contact" or a privacy restriction should be excluded from follow-up. Refer to ["DROPOUT/NONPARTICIPATION"](#) and ["CASELOAD MANAGEMENT"](#) in this section and the PHPR, Follow-up/Internal Tracking/Referral.
2. In follow-up contacts, an appointment should be offered. Any additional appointments should be provided upon request by the participant/caretaker.
3. Initial WIC Certification Appointments
 - a. Staff shall attempt to contact each pregnant woman who missed her initial WIC certification appointment in order to reschedule the appointment. Pregnant women that specify "no home contact" or a privacy restriction are excluded from this requirement.

- b. Missed initial certification appointments should be rescheduled as soon as possible but within thirty (30) days.
- 4. Recertification Appointments

Missed recertification appointments should be rescheduled as soon as possible, but within the 30 day grace period to prevent loss of benefits.
- 5. Food benefit Pick-Up Appointments
 - a. A participant that missed their food benefit pick-up appointment but comes to clinic the same day shall be provided a minimum of one (1) month of food instruments and scheduled for the next appropriate appointment.
 - b. A participant that calls to reschedule an appointment or a missed appointment for food instruments should be re-scheduled within one (1) week.
- 6. Reports are available for follow-up. Refer to ["CASELOAD MANAGEMENT"](#).

WIC ELIGIBILITY REQUIREMENTS

A. General Policies

1. Information to determine eligibility should be provided by the applicant or caretaker (legal guardian, legal custodian or adult with Power of Attorney rights) of an infant or child participant. The relationship of the caretaker to the applicant/participant and the living arrangements or circumstances should be documented in the patient's medical record. Documentation from a parent, etc., may be copied for the medical record as supporting documentation
2. A proxy may be used by a woman participant or by a parent/caretaker of an infant or child participant. A proxy may bring an infant or child to a WIC appointment to obtain WIC benefits, WIC nutrition education and may shop for WIC foods. Refer to ["USE OF PROXIES"](#) in this section.
3. The applicant must be present for the certification unless being physically present is a barrier to participation. An exception to being physically present may be allowed on an individual basis if one of the situations applies as defined below in "WIC Physical Presences Requirements at Certification."
4. Proof of identity for the applicant must be presented for certification, and proof of identity for the person picking up food instruments must be presented at food benefit issuance.
5. To be eligible, the applicant must meet the qualifications for status/category, residence, income and nutritional risk at each certification and recertification. Proof of residence and income eligibility must be provided.
6. The type of proof presented must be documented in the medical record. A code system is established for specific types of proof as the documentation method. The appropriate code must be documented in the medical record.
7. Eligibility is for a specific period, and is referred to as the certification period. Refer to ["CERTIFICATION PERIODS"](#) in this section. Also refer to the WIC Clinical Section.
8. Applicants for WIC do not have to be U.S. citizens nor have legal alien status to be eligible. Refer to the AR VOLUME I, SECTION: LHD OPERATIONS, OVERVIEW OF PATIENT FEES AND SERVICES.
9. Persons who are homeless or living in a homeless facility and persons living in certain institutions may receive WIC if eligibility requirements are met. Refer below and to ["HOMELESS PERSONS AND PERSONS LIVING IN INSTITUTIONS"](#) in this section.
10. The WIC Program does not consider as eligible to apply for certification residents of orphanages, state, federal or local jails/prisons, or state residential hospitals.
11. Persons determined ineligible at certification must be provided written notice of ineligibility. Refer below and to ["INELIGIBILITY AND DISCONTINUATION OF BENEFITS"](#) in this section.

B. WIC Status/Category Qualifications

1. To meet status eligibility, an applicant must be one of the following:

- | | |
|---------------|---|
| Woman | <ul style="list-style-type: none">• Pregnant - with one or more embryos or fetuses in utero.• Breastfeeding - up to one (1) year after the end of a pregnancy* who is feeding breast milk to an infant on the average of at least once a day.• Postpartum - up to six (6) months after the end of a pregnancy* and not breastfeeding an infant. |
| | <p>* The end of a pregnancy is the date the pregnancy terminates, e.g., date of delivery, abortion, miscarriage, etc.</p> |
| Infant | <ul style="list-style-type: none">• Birth up to the first birthday. |
| Child | <ul style="list-style-type: none">• Age one (1) up to the fifth (5) birthday. |

2. Applicants who do not meet any of the definitions above are not eligible for the WIC Program. Applicants who do not meet status qualifications at certification must be provided written notice. Refer to ["INELIGIBILITY AND DISCONTINUATION OF BENEFITS"](#) in this section.
3. A participant who no longer meets a definition above becomes categorically ineligible for the Program. Refer to ["INELIGIBILITY AND DISCONTINUATION OF BENEFITS"](#) in this section.
4. A woman participant who stops breastfeeding prior to six (6) months from the end of pregnancy may qualify as a postpartum woman and continue participation in the Program until 6 months postpartum. Her status and priority, and nutritional risk if appropriate, must be changed to reflect postpartum. Refer to ["STATUS AND PRIORITY"](#) in this section and the PHPR, WIC Section, Eligibility Certification Schedule.

A woman participant who continues to partially breastfeed after 6 months postpartum and has requested more than the maximum amount of formula allowed for a partially breastfed infant no longer receives a food package, but receives the other benefits of WIC such as nutrition education. Terminate when breastfeeding ends or when the woman is one year post-delivery.

5. Proof of status is not required. However, if status is not apparent or is questionable, proof may be requested.

C. WIC Physical Presence Requirements at Certification

1. Physical presence means actually seeing the applicant at his/her certification.
2. Applicants for WIC services must be physically present at each certification and recertification unless an exception applies. Refer to exceptions below.
3. Scheduling should take into consideration individual needs. Refer to ["WIC PROCESSING STANDARDS AND SCHEDULING"](#) in this section.
4. Documentation must be made of whether the applicant was physically present at certification and, if not, the reason an exception was allowed. Documentation must be done by completing the area on the PEF and entering this data in the appropriate field(s) on the Income/Proofs page. The certification label from the action will include this data for placement in the person's medical record on the CH-3A. Refer to PATIENT SERVICES REPORTING SYSTEM, Patient Encounter Form (PEF) and [FOOD DELIVERY/DATA](#) section.
5. An exception may be allowed on an individual basis and the certification performed without the applicant being physically present if the physical presence requirement presents an unreasonable barrier to participation. The reason for the exception must be indicated on the PEF and the code for that reason entered on the portal Income/Proofs page.

a. An exception may be allowed for:

- Disability - Code 1
An applicant or parent/caretaker of an applicant with a physical or mental disability that creates a current barrier to coming to the clinic. Disabilities include:
 - Impaired functions such as caring for oneself, walking, seeing, hearing, speaking, breathing, learning, and working;
 - A medical condition that necessitates the use of medical equipment that is not easily transportable;
 - A medical condition that requires confinement to bed rest;
 - A serious illness or medical condition that may be worsened by coming to the clinic;
 - A contagious illness that may be transmitted to others by coming to the clinic.
 - Receiving Ongoing Health Care - Code 2
An infant or child who was present at his/her initial certification and is receiving documented ongoing healthcare.
 - Working Parents or Caretakers - Code 3
An infant or child who was present at his/her initial certification and at a recertification within the past year and whose parent(s)/caretaker(s) work status presents a barrier to bringing the infant or child to the clinic.
 - Newborn Infant - Code 4
An infant under eight (8) weeks of age who cannot be present at certification due to an appropriate reason. Although physical presence is not required under 8 weeks of age, the health professional should determine that the infant is receiving health care from an appropriate provider. The health professional should use professional discretion in whether to request the infant be brought to clinic during the certification period.
- b. An applicant exempt from physical presence at certification must still meet all other WIC Program requirements for eligibility. The parent/caretaker must provide all information required to determine eligibility including proof of residence, identity, and income eligibility.
- c. An exception to the physical presence requirement is applicable only for the certification period for which it was provided for short-term situations or conditions. At recertification, physical presence must be reassessed. A long-term or permanent condition may require an extended exception to the physical presence requirement.

D. WIC Residence Qualifications

1. Applicants must reside within the geographic boundaries of the state of Kentucky.
2. Residence is the location or street address where an applicant routinely lives or spends the night. Situations determining residence:
 - a. Migrants are considered residents of the agency/site service area in which they apply for WIC benefits.
 - b. Homeless persons are considered residents of the facility where they reside or of the area where they seek benefits.
 - c. Military personnel's temporary duty station is their residence for WIC purposes.

3. Persons who do not meet the residence qualifications at a certification are ineligible for the Program and must be provided written notice. Refer to [“INELIGIBILITY AND DISCONTINUATION OF BENEFITS”](#) in this section.
4. Persons should apply for WIC in the county where they reside. If circumstances justify participation in another county, such as receiving health care or working in another county, receiving WIC in that county is appropriate.
5. Length of residency is not a factor for eligibility.
6. Current proof of residency must be provided at initial certification and at the time of transfer into a new agency/site. Proof of residency must not constitute a barrier to participation. For a child, proof of residency is for the person with whom the child resides.
7. A post office box is not acceptable as proof of residence. The exception to using a post office box is when it is on the eligibility documentation for Medicaid, KTAP, or Food Stamps since residence has already been verified in these cases. In other situations when a post office box is the only proof, residence may be established using an area map or by recording directions to the residence.
8. A [VOC](#) is not proof of residence. If proof cannot be provided, refer to [“Applicant Unable to Provide Proof of Residency at WIC Certification.”](#)
9. Staff recognition (knowledge of where the person lives) is not acceptable proof of residence at initial certification. Staff recognition at recertification is allowed once initial proof of residency has been presented and documented, and there has been no change.
10. Examples of acceptable proof of residence* are:

<ul style="list-style-type: none"> • Verification of current Medicaid eligibility (KY Health-Net, Voice Response, or DCBS) • Food Stamps “General Notice of Action” letter • School ID • School record 	<ul style="list-style-type: none"> • Driver’s License • Voter Registration card • Current utility bill (telephone, water, gas, cable, etc.) • Property Tax receipt 	<ul style="list-style-type: none"> • Current rent/mortgage receipt • Bank statement with address • Any photo ID with address • Pay stub with address • Recent correspondence • Statement from person applicant lives with and proof of their address
--	--	--

For recertification only, acceptable proof of residence (proof must have been provided before use of the following) is:

Staff recognition (knowledge of where the person lives)

* For a child, proof of residence is for the person with whom the child resides.

NOTE: A reference card with acceptable types of proof is available. Refer to [“FORMS AND SUPPORTING INFORMATION”](#) in this section.

11. The type of proof presented must be documented in the person’s medical record. Complete the residency proof field on the Patient Registration screen with the appropriate code for the proof seen. The system prints the code on the Registration Label for placement on the CH-5 for the person’s medical record. If the system is unavailable, the type of proof must be documented on the CH-5B. Refer to PATIENT SERVICES REPORTING SYSTEM, “PATIENT REGISTRATION.”

12. Applicant Failing To Bring Proof of Residency at WIC Certification

For an applicant who has proof of residency but fails to bring it to the initial WIC certification, inform the applicant of the requirement for proof of residency and make a new certification appointment within the timeframe for appointment scheduling. Refer to [“WIC PROCESSING STANDARDS AND SCHEDULING”](#) in this section. If proof was presented and documented at a previous certification and there has been no change, staff recognition is allowed.

NOTE: A reminder of proof requirements for applicants/participants is available. A poster, WIC Proof Requirements, is also available. Refer to [“FORMS AND SUPPORTING INFORMATION”](#) in this section.

13. Applicant Unable To Provide Proof of Residency at WIC Certification

- a. An applicant who has no current proof of residency, such as a victim of theft, loss, or disaster, a homeless individual, a migrant, or a person with a valid [VOC](#), must provide a signed statement attesting to his/her residency.
- b. The statement must include the applicant's address, why written proof cannot be provided (i.e., theft, homeless), the date, and the applicant's signature.
- c. The statement must be filed in the patient's medical record.
- d. The statement applies to the entire certification period for which it was provided. At recertification, if the person still has no proof of residency, another statement must be obtained for this certification period.
- e. The code for statement of no proof must be entered in the residency proof field.

NOTE: An optional form, Statement of No Proof, is available for this purpose. Refer to [“FORMS AND SUPPORTING INFORMATION”](#) in this section.

E. WIC Identification Requirements

1. All applicants must provide proof of identity at the initial certification and when transferring into a new agency/site. A [VOC](#) is not proof of identity. Proof of identity must not constitute a barrier to participation.
2. Proof of identity of the person picking up food instruments must be presented at food benefit issuance. For child or infant participants, this means checking the identity of the parent, caretaker, or proxy picking up food instruments. For women participants using proxies, this means checking the identification of the proxies. Refer to WIC FOOD DELIVERY/DATA section, [“FOOD BENEFIT ISSUANCE”](#).
3. Staff recognition (knowledge of who the person is) is not acceptable proof of identity at initial WIC certification. Staff recognition at food benefit issuance and recertification is allowed once proof has been presented and documented. The patient medical record or the [Participant Folder](#)/eWIC Cardholder will also serve as proof of identity for the participant at food benefit issuance and at recertification. The [Participant Folder](#)/eWIC Cardholder will serve as proof of identity at food benefit issuance for the parent/caretaker who presented proof at certification and whose name is recorded on the folder. Refer to [“FORMS AND SUPPORTING INFORMATION”](#) in this section.

4. Examples of acceptable proof of identity* are:

- | | | |
|---|----------------------------|--|
| • Immunization record | • School ID | • Pay stub with name |
| • Birth certificate | • Baptismal certificate | • Current voter registration card |
| • Verification of current Medicaid eligibility (KY Health-Net, Voice Response, or DCBS) | • Any photo identification | • Recent correspondence |
| • Food Stamps "General Notice of Action" letter | • Drivers license** | • Social Security card |
| • Hospital record (birth card, crib card, hospital band, discharge papers) | • Employee ID | • Current passport/immigration records |
| | • Health benefits card | • Military ID |
| | | • Marriage license |

For recertification and food benefit issuance only, acceptable proof of identity (proof must have been provided before use of the following) is:

- Staff recognition (knowledge of who the person is),
- Participant Folder,
- Medical Record.

* The name of the person whose identity is being established must be on the proof presented.

** Drivers license is acceptable proof of identity only for the person whose name is on it. It is not acceptable as identity of an infant or child.

NOTE: A reference card with acceptable types of proof is available. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section.

5. The type of proof presented for identity at certification and at issuance must be documented in the person's medical record. To document proof of identity at certification, complete the identity proof field on the Patient Registration screen with the appropriate code for the proof seen. The system prints the code on the Registration Label for placement on the CH-5 for the medical record. If the system is unavailable, the type of proof must be documented on the CH-5B. Refer to PATIENT SERVICES REPORTING SYSTEM, "PATIENT REGISTRATION." To document proof of identity at issuance, complete the "ID for FI PU" (identity for food benefit pick-up) field on the WIC Benefits Issuance Screen with the appropriate code for the proof seen. The system prints the code on the issuance label, which is placed in the person's medical record. For handwritten and preprinted food instruments, the proof code must be written on the stub. Refer to WIC [FOOD DELIVERY/DATA](#) Section.

6. Applicant Failing To Bring Proof Of Identity At WIC Certification

For an applicant who has proof of identity but fails to bring it to the initial WIC certification, inform the applicant of the requirement for proof of identity and make a new certification appointment within the timeframe for appointment scheduling. Refer to ["WIC PROCESSING STANDARDS AND SCHEDULING"](#) in this section. If proof was presented and documented at a previous certification, staff recognition is allowed.

NOTE: A reminder of proof requirements for applicants/participants is available. A poster, WIC Proof Requirements, is also available. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section.

7. Applicant Unable To Provide Proof Of Identity At WIC Certification

- a. An applicant who has no proof of identity, such as a non-citizen, victim of theft, loss or disaster, a homeless individual, a migrant, or a person with a valid [VOC](#), must provide a signed statement attesting to his/her identity.

- b. The statement must include name, why written proof cannot be provided (i.e., theft, homeless), the date, and the person's signature.
- c. The statement must be filed in the patient's medical record.
- d. The statement applies to the entire certification period for which it was provided. At recertification, if the person still has no proof of identity, another statement must be obtained for this certification period.
- e. The code for statement of no proof must be entered in the identity proof field.

NOTE: An optional form, [Statement of No Proof](#), is available for this purpose. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section.

F. WIC Income Requirements

Refer to PATIENT SERVICES REPORTING SYSTEM for "PATIENT REGISTRATION" and APPENDICES for "HOUSEHOLD SIZE AND HOUSEHOLD INCOME" and "WIC INCOME ELIGIBILITY REQUIREMENTS."

G. WIC Nutritional Risk Requirements

Refer to the WIC Clinical Section.

USE OF PROXIES

1. Proxy means any person designated by a woman participant or by a parent or caretaker (legal guardian, legal custodian or adult with Power of Attorney rights) of an infant or child participant to obtain WIC benefits, WIC nutrition education and shop for WIC approved foods.

*The parent or legal representative applying on behalf of the infant and child participants are not defined as a proxies. These individuals have legal authority to sign for general consent.

2. A proxy form designating authorized proxies must be completed and filed in the applicant's medical record. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section. Names of proxies must be recorded on the Kentucky WIC Program Proxy Authorization Form, the eWIC cardholder and/or [Participant Folder \(if applicable\)](#) to authorize continued use. The authorized proxy(ies) must present proof of identification verifying they are an authorized proxy.
3. For persons presenting to clinic not authorized on the Kentucky WIC Proxy Authorization Form by the parent or legal representative, a verbal authorization from the parent or legal representative can be accepted in order for the person to be designated as a proxy. The verbal proxy authorization must be documented on the Kentucky WIC Program Authorization Form in the "verbal authorization" section. The parent or legal representative providing verbal authorization must be informed that the proxy authorization allows the proxy to obtain WIC benefits, WIC nutrition education and conduct transactions at a WIC approved vendor to obtain WIC approved foods.
4. Authorized proxies are valid and applicable for the length of the applicant's certification period unless a request for a change is made by the parent or legal representative. The proxy authorization may be renewed at recertification.

*** WIC services may be provided if the parent or legal representative has authority to authorize general consent for the applicant. Guidelines in the PHPR, Consent for Services, IV General Consent must be followed when the parent or legal representative cannot be present with the applicant at the visit.**

HOMELESS PERSONS AND PERSONS LIVING IN INSTITUTIONS

A. General Policies

1. Persons who are homeless, or who reside in a homeless facility and persons living in an institution may apply for WIC certification. These persons shall be treated equally with all other applying and/or eligible persons.
2. All eligibility requirements must be met. Refer to ["WIC ELIGIBILITY REQUIREMENTS"](#) in this section.
3. A homeless person is a woman, infant, or child who lacks a fixed and regular nighttime residence; or whose primary nighttime residence is: a public or privately operated shelter (including a welfare hotel, congregate shelter, or a shelter for domestic violence victims) designated as temporary living and/or sleeping accommodation; a temporary accommodation of not more than 365 days in the residence of another person; a public or private place not designated for, or ordinarily used as, a regular sleeping accommodation for human beings.
4. Homeless facilities and institutions must meet certain conditions for their resident WIC participants. Refer to ["Homeless Facility And Institution Requirements For Participation Of Their Residents"](#) below.
5. Institutions whose residents may apply for WIC certification are group homes for foster children, Job Corps, facilities for victims of abuse, facilities for pregnant women, etc. These facilities must meet the same requirements as those of homeless facilities and institutions. Refer to requirements below.
6. The WIC Program does not consider as eligible to apply for certification residents of orphanages, state, federal, or local jails/prisons, or state residential hospitals.
7. All people in a homeless shelter, institution or group home cannot be considered members of one household for income eligibility.
8. Factors such as lack of cooking facilities or storage space shall have no bearing on the eligibility determination process.

B. Facility/Institution Description

1. A homeless facility means the following types of facilities which provide meal service: a supervised publicly or privately operated shelter (including a welfare hotel or congregate shelter) designed to provide temporary living accommodations; a facility that provides a temporary residence for individuals intended to be institutionalized or a public or private place not designed for, or normally used as, a regular sleeping accommodation for human beings.
2. An institution is any residential accommodation that provides meal service, except for private residences and homeless facilities.

C. Homeless Facility And Institution Requirements For Participation Of Their Residents

1. A homeless facility or institution that provides meal service shall meet the following requirements in order for residents to participate in WIC:
 - No financial or in-kind benefit shall be accrued from a person's participation in the WIC Program, such as reducing expenditures for food service because residents are receiving WIC foods.
 - Foods provided by the WIC Program cannot be contained or used in a communal food service, but shall be available exclusively to the WIC participant for whom they were issued.
 - No constraints shall be placed on the ability of the participant to use the supplemental foods and receive nutrition education available under the Program.
2. To ensure compliance with the above, the agency/site:
 - Shall contact the facility or institution to attempt to establish, to the extent practicable, that the conditions are met for resident WIC participants.
 - Shall contact the facility or institution periodically to ensure continued compliance with the conditions.
 - Shall request that the facility or institution notify the agency/site if the facility ceases to meet any of these requirements.
 - Shall consider each facility or institution on an individual basis and maintain all documentation for each facility.
 - May request a written statement from the facility or institution that attests to compliance with the above requirements and agreement to inform the agency/site if the facility ceases to meet any of the requirements.
3. If a facility or institution meets the requirements, eligible persons shall be certified for full certification periods if caseload slots are available. If caseload slots are not available, the applicant shall be placed on a waiting list. Refer to ["WAITING LIST"](#) in this section.
4. If a facility's or institution's compliance with the requirements has not yet been established, eligible persons shall be certified for one full certification period. During this period, the agency/site shall determine to the extent practicable if the facility is interested and able to meet the requirements.
 - a. If the requirements are met, subsequent certifications shall be provided.
 - b. If the requirements are not met, the agency/site should, during the participant's certification period, advise the participant of the need for alternative arrangements before subsequent certifications are due. If the participant chooses not to move to another facility that meets the requirements or if alternative arrangements are not possible by the time of the next certification, the participant may be recertified if eligible, but no further WIC food instruments may be issued to the participant. The only exception is infant formula, which may be issued, if applicable, during subsequent certifications. Persons in facilities found to be non-compliant may continue to receive nutrition education and referral services even if they choose not to relocate.

5. Should a participant move into a facility or institution in the service area, the participant shall, unless disqualification situations apply (Refer to [“INELIGIBILITY AND DISCONTINUATION OF BENEFITS”](#)), be allowed to complete the certification period regardless of whether the facility meets the requirements. The participant should be advised of the need for alternative arrangements before subsequent certifications.

D. Referral/Outreach

1. The agency/site should maintain a complete and up-to-date list of facilities and institutions in the area that comply with the requirements so referrals to these can be made.
2. The agency/site should include in its outreach efforts the availability of the WIC Program to homeless and institutional individuals and provide information on participant eligibility requirements and the location to apply for WIC. Facility requirements should be provided to organizations and agencies serving these individuals. Refer to [“OUTREACH AND COORDINATION”](#) in this section.

CERTIFICATION PERIODS

A. General Policies

1. Eligibility is for a specific period of time and is referred to as the certification period.
2. The certification period is determined by category/status and in specific situations age.
3. The certification period begins from the certification date.
4. Based on the above information entered in the system, the system determines the certification period and the next action due and the date due.
5. A person certified as eligible may continue on WIC until the end of the certification period as long as he is still eligible and complies with Program rules and regulations. If a reason for ineligibility or discontinuation of benefits occurs, appropriate action must be taken at that time regardless of the expiration of the certification period. Refer to Ineligibility And Discontinuation of Benefits in this section.
6. Recertification shall be scheduled prior to the end of the certification period to prevent interruption in benefits. Refer to WIC Processing Standards and Scheduling in this section.
7. Each participant/caretaker must be informed that the certification period will expire a minimum of 15 days before the expiration. Verbal notice at the last food benefit pick-up before the recertification due date is appropriate.
8. When there is difficulty in appointment scheduling for breastfeeding women, infants, and children, the certification period may be shortened or extended by thirty (30) days. The 30-day grace period cannot be used routinely. Food instruments must be provided when the 30-day grace period is used. If an assessment of eligibility is done prior to the end of the certification period and the patient is determined ineligible, the food benefit issuance and food package due for this certification period shall be given. It is not equitable to prematurely terminate benefits of participants who are given early appointments.
9. A person who is terminated during a certification period and later seeks WIC services shall be reinstated if there is still eligibility left, i.e., the certification period has not expired. All existing participant data in the system must still be applicable for a reinstatement to be used.

B. Certification Periods

1. Women:
 - a. Pregnant women are certified for the duration of their pregnancy up to six (6) weeks postpartum. Six weeks postpartum is computed from the EDC (expected date of confinement for delivery) entered in the system for pregnant women. At 6 weeks postpartum, women must be recertified as either postpartum or breastfeeding to continue on WIC.
 - b. Postpartum women are certified until six (6) months postpartum. Six months postpartum is computed from the actual date of delivery entered in the system. At 6 months postpartum, women not breastfeeding are no longer categorically eligible to continue on WIC.

Breastfeeding women are certified until the infant's first birthday as long as they continue to breastfeed. Twelve months is computed from the actual date of delivery entered in the system. If the woman stops breastfeeding before six (6) months postpartum, she may continue on WIC as a postpartum woman if she meets postpartum risk criteria. If she is more than six (6) months postpartum and stops breastfeeding, she is no longer categorically eligible and must be terminated. If the infant has not had his first birthday and

the breastfeeding woman is not receiving WIC food instruments, but the infant is receiving the full formula package, continue certification as breastfeeding. Terminate when breastfeeding ends or at the infant's first birthday.

2. Infants:

- a. Infants less than six (6) months of age are certified until twelve (12) months of age. Twelve months of age is computed from the date of birth entered in the system. Infants must be recertified at 12 months as children to continue on WIC.
- b. Infants six (6) months of age and over are certified for a six (6) month period. Six months is computed from the certification date. At 6 months, recertification must be done to continue on WIC.
- c. Infants enrolled and participating at twelve (12) months of age must be changed from infant status to child status. This is done through an Infant/Child Transfer (ICT). Refer to Status and Priority in this section.

3. Children:

- a. Children are certified for six (6) month periods. Six months is computed from the certification date.
- b. Children may be recertified at intervals of six (6) months up to the fifth birthday. The certification period ends on the fifth birthday, but the child is eligible to receive food instruments with a first day to use prior to the birth date. The fifth birthday is computed from the date of birth entered in the system.

C. Action Due

1. The system computes the next action due and the due date based on status/category, age and date of measures or date of certification, whichever is the earlier date.
2. The action due and the due date are printed on the certification label. Refer to Food Delivery/Data section, On-Line Produced Labels.
3. WIC Actions:
 - a. "Recertification is the action due when the participant is still categorically eligible for another certification period.
 - b. Termination is the action due when the patient is no longer categorically eligible for another certification period.
4. System reports are provided to manage actions due. These are the Actions Due and the Automatic Terminations reports. Refer to Food Delivery/Data section, Systems Reports.
5. Situations occur that affect the action due and due date prior to the due date. When changes occur, actions must be performed as needed.

VOTER REGISTRATION

A. General Policies

1. Voter registration is mandated for the WIC Program by Public Law 103-31, the [National Voter Registration Act](#).
2. Voter registration services shall be provided at WIC application, certification, and transfer to women eighteen (18) years old or older. The option to update current voter registration shall be provided if the person wishes to do so. WIC services provided off-site (home, hospital, etc.) must include voter registration.
3. Voter registration or the option to update current registration shall be provided to other persons eighteen (18) years old or older that request to apply to register to vote.
4. WIC applicants 18 years old and older that decline the opportunity to register to vote must decline in writing in order to acknowledge that the opportunity to register to vote was provided.
5. The "[VOTER REGISTRATION RIGHTS AND PREFERENCE FORM \(WIC-53\)](#)" shall be provided to the person to complete each time voter registration is offered. This form provides the person her rights concerning registering to vote and documents the opportunity to register or decline. Any person who declines to register, including the applicant who has already registered to vote, must complete the WIC-53.
6. The completed WIC-53 shall be filed in a voter registration file by calendar year and retained for two (2) calendar years. A copy of the WIC-53 shall be given to the individual. Refer to "[FORMS AND SUPPORTING INFORMATION](#)" in this section.
7. When specific information is in the computer system, voter registration is tracked on a calendar year and, when indicated, the system produces a voter registration application form for the individual to complete.
8. State Board of Elections voter registration application forms (SBE01) must be available. Refer to "[FORMS AND SUPPORTING INFORMATION](#)" in this section.
9. Staff shall provide assistance to complete a voter registration application form unless the person refuses it. The same degree of assistance shall be provided as is provided with other forms.
10. Completed voter registration forms shall be accepted to send to the election official. The person cannot be required to mail the form.
11. Completed forms shall be sent a minimum of weekly, except prior to an election when forms shall be sent within five (5) days of the cut-off date for registration (typically 28 days prior to the election). Forms may be mailed to the county clerk if the clerk accepts them without regard to the applicant's residence. If not, completed voter registration forms must be sent to the State Board of Elections, 140 Walnut Street, Frankfort, Kentucky 40601.
12. Voter registration applications and completed WIC-53s shall be kept confidential and used for no purpose other than voter registration.
13. Staff shall not determine if an individual is eligible to complete a voter registration application form. The State Board of Elections is the responsible agency to approve or deny a voter registration application and notify the person.
14. Restrictions and prohibitions apply to staff. Failure to follow these restrictions could result in a fine, imprisonment not to exceed five (5) years, or both. The restrictions are:

- a. Staff providing voter registration services shall not:
 - (1) Seek to influence an applicant's political preference or party designation.
 - (2) Display any such political preference or party allegiance.
 - (3) Make any statement to an applicant or take any action to discourage the applicant from registering to vote.
 - (4) Make any statement to an applicant or take any action to lead the applicant to believe that a decision to register or not to register has any bearing on the availability of WIC services.
- b. If an individual applies to register to vote, the specific agency where the form was completed must not be publicly disclosed.
- c. Information relating to voter registration may not be used for any purpose other than voter registration.

B. Procedures for Voter Registration

1. If the person's date of birth and reason for visit code of WIC Cert/Recert/WIC VOC is in the system, a message returns if voter registration is required within the calendar year. Refer to PATIENT AND SERVICES REPORTING SYSTEM "REASON FOR VISIT CODES."

If this information is not in the system or the system is not available, voter registration must be offered at application, certification, and transfer.

2. Provide the ["VOTER REGISTRATION RIGHTS AND PREFERENCE FORM"](#) (WIC-53) to the person to read and complete. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section. If the person refuses to read the form, designate preference, or sign the form, staff should record the person's name, and note the refusal and date on the WIC-53. Two (2) staff should sign and date the form.
3. On the Patient Registration screen, complete the "Apply to Vote" field with the person's preference as indicated on the WIC-53 – Y for yes or N for no. If the person refused to complete the WIC-53, put "N" in the field.
 - (1) If Apply to Vote is N, the process is complete. See number 5 below.
 - (2) If Apply to Vote is Y, put Y for yes in the "Print Form" field to print the system voter registration application form. The system form is printed with the person's name, social security number, date of birth, county of residence, mailing address, sex, phone number and date. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section.
 - (3) Give the system form to the person to complete party affiliation, residence address if different from mailing address, read and sign.

If the system is unavailable and the person wishes to complete a voter registration application, provide the State Board of Elections form, the SBE01. When data entry is done, complete the Patient Registration screen and enter Y (yes) or N (no) from the WIC-53 in the Apply to Vote field. Enter N (no) for printing the form.

4. The person must be provided the opportunity to complete the voter registration application form in private. Inform the person of the items to be completed.
5. Provide a copy of the WIC-53 to the person. File a copy in the Voter Registration file.
6. Accept the completed voter registration form to send to the election official.
7. Send all voter registration application forms a minimum of once a week to the State Board of Elections. Forms may be sent to the county clerk if the clerk accepts applications without regard to the applicant's residence. Confidentiality must be ensured. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section.

RIGHTS AND RESPONSIBILITIES

A. General Policies

1. Applicants and participants have certain rights and responsibilities in the WIC Program.
2. All applicants and participants, or their parent/caretaker, must be informed of the rights and responsibilities during a certification.
3. Documentation of informing applicants/participants of the rights and responsibilities must be maintained in the person's medical record.
4. Any person determined ineligible, denied WIC services, disqualified or suspended from WIC, or asked to repay the cash value of improperly redeemed WIC food instruments must be provided a hearing to appeal the decision if desired and must be provided the WIC Program Fair Hearing Procedures. The WIC Program Fair Hearing Procedures are included on the ["WIC PROGRAM NOTICE OF INELIGIBILITY \(WIC-54\)"](#). Refer to ["INELIGIBILITY AND DISCONTINUATION OF BENEFITS"](#) in this section.
5. Procedures for hearings are in the AR VOLUME I, Section: TRAINING GUIDELINES AND PROGRAM DESCRIPTIONS: WIC PROGRAM. WIC Program Fair Hearing Procedures are also part of Administrative Regulation [902 KAR 4:040](#).
6. WIC Fair Hearing Procedures must be displayed in the clinic and/or waiting area. A [Fair Hearing Procedures Poster](#) is available from the State WIC Office. Refer to "FORMS AND SUPPORTING INFORMATION" in this section.
7. Each agency must have a current list of WIC contracted vendors and provide the list to eligible participants to inform them where food instruments can be redeemed.
8. WIC Program services and operations shall comply with the Civil Rights Act of 1964. Refer to AR, Volume I, Section: Personnel, Civil Rights.
9. The WIC Participation by Race/Status report should be reviewed to ensure appropriate racial representation. Refer to Food Delivery, Reports.

B. Notification and Documentation Requirements

1. All applicants, participants, or their parent/legal representative/caretaker, must read or have read to them, the WIC Rights and Responsibilities section on the Registration/Authorization/Certifications and Consents form (CH-5) and sign and date this section of the completed form at each certification and recertification. If the computer system is not available, the Rights and Responsibilities section on the CH-5B must be read, signed and dated. Refer to AR, VOLUME II, PATIENT SERVICES REPORTING SYSTEM, Form CH-5 and Form CH-5B.
2. All persons determined eligible, or their parent/legal representative/caretaker, must be provided the eWIC Benefits Card pamphlet/eWIC Cardholder and the information contained within explained to them. The eWIC Benefits Card pamphlet includes the rights and responsibilities and how to use the eWIC card/food instruments. Refer to "FORMS AND SUPPORTING INFORMATION" in this section.
3. At the initial certification, all persons determined eligible, or their parent/legal representative/caretaker, must be provided the Kentucky WIC Approved Food List and a current list of approved vendors where food instruments can be cashed. Refer to FOOD DELIVERY/DATA section, ["FORMS AND FOOD INSTRUMENTS"](#).

4. The rights and responsibilities are available as an information sheet for use when the eWIC Benefits Card pamphlet is not appropriate. Refer to “FORMS AND SUPPORTING INFORMATION” in this section.
5. All persons determined ineligible, denied or discontinued WIC, or imposed a claim must be provided a completed ["NOTICE OF INELIGIBILITY"](#) (WIC-54). The copy of the WIC-54 must be filed in the person's medical record. Refer to ["INELIGIBILITY AND DISCONTINUATION OF BENEFITS"](#) and ["FORMS AND SUPPORTING INFORMATION"](#) in this section.
6. The [WIC Program Fair Hearing Procedures](#) are available as an information sheet for use when the WIC-54 is not appropriate. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section.
7. Reference materials are available to use as a reminder of requirements for certification and food benefit issuance. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section.
8. The “And Justice For All” poster shall be prominently displayed in a clinic location visible to all applicants and participants. The poster is available from the State WIC Office. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section and the AR, Volume I, Section: Personnel, Civil Rights.

STATUS AND PRIORITY

A. Status

1. Status and category are used interchangeably.
2. Status must be determined for each person applying and reapplying for WIC. Refer to WIC ELIGIBILITY REQUIREMENTS, [“WIC STATUS/CATEGORY QUALIFICATIONS”](#) in this section.
3. Status may change during a certification period when a recertification is not required. Situations when status changes are:
 - a. A fully or partially breastfeeding woman stops breastfeeding and is less than six (6) months post delivery. Her status becomes postpartum. A change of status must be completed. Her food package must be changed to a postpartum package along with any changes in risk if appropriate. If the risk(s) identified for the breastfeeding woman does not apply to the postpartum status, a postpartum risk must be identified for the woman to continue on WIC. If a postpartum risk cannot be identified, the woman must be terminated from WIC. Refer to [“Ineligibility and Discontinuation of Benefits”](#) in this section.
 - b. A postpartum woman is in the system with postpartum status but is actually fully or partially breastfeeding. A change of status must be done to reflect the appropriate breastfeeding status. Her food package should be changed to an appropriate breastfeeding package.
 - c. A woman participant who continues to partially breastfeed after 6 months postpartum and has requested more than the maximum amount of formula allowed for a partially breastfed infant no longer receives a food package, but receives the other benefits of WIC such as nutrition education. Continue the woman as partially breastfeeding status. Terminate when breastfeeding ends or woman is 1 years post-delivery.
 - d. An infant at twelve (12) months of age. The system provides an automatic change from infant to child status, referred to as an Infant/Child Transfer (ICT). Refer to [Infant/Child Transfer](#) below.

B. Priority

1. Priority is a ranking system of I through VI. The highest priority is I and the lowest is VI.
2. Priority is based on status and nutritional risk. Each priority includes the status listed below; priority for specific risks is included on the WIC Certification forms. Refer to the PHPR, WIC Section.
 - a. Priority I is pregnant women, breastfeeding women, and infants with high-risk conditions.
 - b. Priority II is infants of mothers who were WIC participants during this pregnancy and infants whose mothers did not participate but who were eligible due to risk during this pregnancy.
 - c. Priority III A is children with high-risk conditions.
 - d. Priority III B is postpartum women with high-risk conditions.
 - e. Priority IV is pregnant women, breastfeeding women, and infants with low risk conditions.
 - f. Priority V A is children up to age 2 with low risk conditions.
 - g. Priority V B is children ages 2 to 5 with low risk conditions.

- h. Priority VI is postpartum women with low risk conditions.
- 3. The computer system assigns the highest priority for the risk(s) entered. The person's risk code with the highest priority must be entered to ensure the highest priority assignment. Refer to the WIC Certification forms, PHPR, WIC Section.
- 4. The assigned priority is included on the certification label and screens.
- 5. Priority may change during a certification period. Situations when priority changes are:
 - a. A change in risk. If a new risk is identified that is a higher priority than the current priority, the certification record (automated WIC-75) must be edited to add the new risk. The system will automatically assign the new priority. Refer to PHPR, WIC Section, Automated WIC Certification.
 - b. A change in status.
 - (1) A change status, such as breastfeeding to postpartum, will result in the system automatically assigning priority based on risk and the new status. If the risk(s) identified for the participant does not apply to the new status, a risk must be identified for the new status.
 - (2) An infant at 12 months of age whose status changes to child also changes priority to an applicable child priority. For specific situations, the system does an automatic Infant/Child Transfer (ICT). Refer to Infant/Child Transfer below.
- 6. Priority is used to ensure WIC services are provided to persons in greatest nutritional need if the State WIC Office determines funding is inadequate to serve all eligible people. Refer to ["CASELOAD MANAGEMENT"](#) in this section.

C. Infant/Child Transfer (ICT)

- 1. An infant at 12 months of age (1 year) becomes a child. Infant information in the system must be updated to child status, along with a child priority and a child food package.
- 2. This change for status, priority, and food package is referred to as an Infant/Child Transfer (ICT). This process allows printing of a child food package without a recertification to change status.

ENROLLMENT AND PARTICIPATION

A. Enrollment

1. Eligible persons are enrolled creating or adding the person to the household record and completing the Patient Registration screens.
2. Eligible infants that are fully breastfed and receive no formula from WIC must be certified and enrolled as soon as possible. These infants are referred to as Infant Fully Breastfed (IFB).
3. Mothers who have continued to partially breastfeed after 6 months postpartum and who have requested more than the maximum amount of formula for a partially breastfed infant are continued on the program with a Woman Partially Breastfeeding (WPB) status.
4. Enrollment is the total of the number of all pregnant, breastfeeding, and postpartum women, infants, and children determined eligible for WIC and added/enrolled to the WIC Program.
5. The system produces a monthly report of enrollment by status and priority. The system report is the number of persons enrolled at the time the report is produced. It reflects all add and termination actions as of the date and time of the report. Refer to FOOD DELIVERY/DATA section, "SYSTEM REPORTS."
6. Enrollment should be reviewed monthly as part of caseload management. Refer to "CASELOAD MANAGEMENT" in this section.

B. Participation

1. All eligible persons are assigned an issue month and date. This date determines the first day to use on food instruments. This date remains the same through the person's continuous participation in WIC unless extenuating circumstances exist to change this date.
2. Infants fully breastfed must be assigned the BF1/F1 food package to count as participants.
3. Women who continue to partially breastfeed after 6 months postpartum and who have requested more than the maximum amount of formula allowed for a partially breastfed infant, should continue on the program to receive the other benefits of WIC such as nutrition education.
4. A participant is:
 - a. A woman, infant or child who receives at least one (1) food instrument issuance during a calendar month.
 - b. An infant fully breastfed enrolled with an assigned BF1/F1 food package who does not receive food instruments until the 6 months of age.
 - c. A breastfeeding woman who is 6 months or more post-partum, whose infant is receiving a full formula package, would no longer receive food instruments, but is continued to be counted as a WIC Participant until the infant's 1st birthday as long as she continues to breastfeed at least an average of 1 time per day.
 - d. A breastfeeding woman who is 6 months or more postpartum whose infant is receiving a partially breastfeeding formula package, continues to receive food instruments until the infant's 1st birthday as long as she continues to breastfeed and the infant remains on the partially breastfed formula pkg.
5. Participation is determined by:
 - a. Issued food instruments and the first day to use.
 - (1) The computer system captures issuance by the first day to use on the food instruments and assigns the food instruments and the participant to the appropriate month.

- (2) Issued handwritten food instruments posted to the system. All issued handwritten food instruments must be posted to record the food instruments benefits as issued and for the person to count as a participant. The first day to use that is posted determines the month the food instruments and the participant are assigned to. Food instruments must be posted as soon as possible (not exceed one (1) week).
 - (3) The system sorts all issued food instruments and counts each person who received food instruments dated in the month as one (1) participant.
6. Participation is the total of the number of pregnant, postpartum and breastfeeding women, infants and children who receive food instruments for the month plus the number of infants fully breastfed and women partially breastfeeding no longer receiving food instruments, but continuing to partially breastfed.
7. WIC funding is based on participation.
8. Continuous participation and obtaining food instruments for all months of the certification period should be encouraged. Refer to "CASELOAD MANAGEMENT" in this section.
9. A maximum of three (3) months of food instruments may be issued at one time. Three months issuance is encouraged to maximize benefits to the person, to maximize participation, and to reduce patient time in clinic.
10. Follow-up for missed appointments should be made to encourage continued participation. Two reports are produced for this purpose: the 7 Day Late Benefit Issuance List and the 30 Day Late Benefit Issuance List. Refer to "DROPOUT/ NONPARTICIPATION" in this section and FOOD DELIVERY/DATA section, "SYSTEM REPORTS."
11. Persons picking up food instruments late keep their assigned issue date and food instruments are issued for the remainder of the issuance month. The quantity of food instruments issued may be reduced for late pick-up based on the number of days remaining in the issuance. The system automatically calculates the number of days remaining in the issuance cycle and issues the appropriate quantify food instruments. Refer to FOOD DELIVERY/DATA, Partial and Reduced Issuance.
12. Voided food instruments affect issuance and participation information. Voided food instruments must be entered in the system and submitted to the State WIC Office. Refer to FOOD DELIVERY/DATA section.
13. The system produces a monthly report of participation by status and priority. The system report is the number of participants for the calendar month, from the first day to the last day of the month. Refer to FOOD DELIVERY/DATA section, "SYSTEM REPORTS."
14. Participation reports are produced in provisional, revised and final numbers, beginning the month following the report month. Each report reflects data in the system at the time the report is produced.
15. After a final participation report is produced, no additional data entered in the system affects the participation count for that month.
16. Participation should be reviewed monthly as part of caseload management. A participation rate can be determined by comparing enrollment to participation for a month, but is not precise due to the differences in the time periods of the two reports.

DROPOUT/NONPARTICIPATION

A. General Policies

1. A participant that fails to pick-up food instruments for two (2) consecutive months [sixty (60) days from the last valid date of the benefit period on the WIC Benefit Shopping List is considered a dropout and is automatically terminated by the system. Refer to FOOD DELIVERY/DATA section, [“AUTOMATIC TERMINATIONS.”](#)
2. The dropout policy is provided to the participant at certification in the eWIC Benefits Card pamphlet. The signature for WIC Rights and Responsibilities on the CH-5 or CH-5B documents the patient was provided this policy. Refer to [“RIGHTS AND RESPONSIBILITIES”](#) in this section.
3. Follow-up should be made for missed appointments/no-shows to encourage continued participation. Refer to [“Follow-Up”](#) below and [“ENROLLMENT AND PARTICIPATION”](#) and [“CASELOAD MANAGEMENT”](#) in this section.
4. Persons that receive at least one food benefit issuance for a month are counted as participants. Persons picking up food instruments late keep their assigned issue date and are issued food instruments for the remainder of the issuance month. The quantity of food instruments may be reduced for late pick-up based on the number of days remaining in the issuance. The system automatically calculates the number of days remaining in the issuance and issues the appropriate food instruments. Refer to [FOOD DELIVERY/DATA](#), Partial and Reduced Issuance.

B. Follow-Up

1. All no-shows should be contacted at least once prior to termination unless no home contact or a privacy restriction has been requested.
2. A 7-Day Late Food Benefit List and a 30-Day Late Food Benefit List is provided for follow-up. Refer to FOOD DELIVERY/DATA section, [“SYSTEM REPORTS.”](#) If contact is made from the 7-Day Late report, it is possible for the person to come to clinic to not lose one whole month of food instruments and to count as a participant for that month. Refer to the late pick-up schedule above.
3. Follow-up may be any of the following: telephone call, letter, postcard, or contact through other agency services. A reminder postcard (WIC-51) is available for this purpose. Refer to [“FORMS AND SUPPORTING INFORMATION”](#) in this section.
4. An effort to contact the following participants with the specified risk(s) **is required** unless no home contact or a privacy restriction has been requested. Effort to contact these participants must be made no later than the receipt of the 7-Day Late Food benefit Pick-Up List.
 - Pregnant Women
 - Age 17 or less
 - Whose last pregnancy resulted in a low birth weight or premature infant
 - Whose last pregnancy resulted in a fetal or neonatal death
 - With a nutrition/metabolic condition
 - Infants
 - With low birth weight or prematurity
 - With a nutrition/metabolic condition
 - Who receive special formula
 - Children
 - With low birth weight (up to age 2)
 - With a nutrition/metabolic condition
 - Who receive special formula
5. Documentation of follow-up efforts must be made in the medical record.

6. If the person is unable to come to clinic, other options may be considered. Refer to [“ISSUANCE TO PROXIES”](#) and [“MAILING FOOD INSTRUMENTS”](#) in the FOOD DELIVERY/DATA section.

C. Termination

1. After two (2) months of nonparticipation, the person is automatically terminated by the system. Also refer to FOOD DELIVERY/DATA section, [“AUTOMATIC TERMINATIONS.”](#)
2. A “T” label is produced for placement in the medical record. “Non-part.” (non-participation) is printed on the label to document the reason for termination.
3. If the person seeks WIC services after termination and the certification period has not expired, he/she shall be reinstated by completing information on the Reinstate/Terminate screen. Refer to [“CERTIFICATION PERIODS”](#) in this section and FOOD DELIVERY/DATA section, [“SCREENS.”](#)

TRANSFER/VOC

A. General Policies

1. A participant that moves out of the area served by the site can transfer his eligibility to the new site to receive WIC benefits for the remainder of his certification period.
2. The transfer from one site to another is done through a [Verification of Certification \(VOC\)](#). The transferring site issues a VOC so the receiving site can enroll the participant without screening for income or risk and issue food instruments.
3. Participants may transfer in-state, out-of-state, or overseas using the VOC. Persons may also transfer from other states or from overseas with that program's equivalent of a VOC.
4. A [VOC](#) (WIC-17) is to be issued at certification to any person identified as a migrant.
5. A VOC must be issued to any participant with remaining eligibility in the certification period that needs to transfer. The VOC should be produced by the system unless the system is unavailable or slow, in which case the WIC-17 is used. Refer to ["FORMS AND SUPPORTING INFORMATION."](#)
6. To be valid, the VOC must contain, at a minimum, the name of the participant and the beginning and ending dates of the certification period, and there must be eligibility remaining. If the VOC is determined to be invalid, the transferring site may be contacted for necessary information. If information cannot be obtained, the person must be screened as a new applicant in the receiving site.
7. If the certification period has ended, the person must be screened to continue on WIC for another certification period. A person transferring within Kentucky who did not receive food instruments that were due with a valid date prior to the ending of the certification period should be added as a VOC transfer and issued the remaining food instruments to continue benefits for that certification period. This provides the food instruments that would have been received if the person had remained in the previous site.
8. If a migrant's certification period has expired on his/her VOC, the VOC may still serve as income documentation if the VOC shows that an income determination was done within the past twelve (12) months.
9. A person with a valid VOC from another state or from overseas cannot be denied participation because the person does not meet Kentucky nutritional risk criteria and the length of the certification period may be different.
10. A valid VOC must be accepted for eligibility and benefits provided until the ending date of the certification period.
11. Support staff can perform all procedures and actions for a Transfer/VOC without the participant seeing a health professional. Contact with a health professional is required only if a food package change is needed, a formula prescription must be assessed or an out-of-state food package does not convert to a Kentucky package. Nutrition education can be offered at a return appointment if appropriate.
12. A participant with a VOC must meet residence requirements and show proof of identity and residence. A VOC represents proof of income and nutritional risk only. Proof of identity is also required for the person picking up food instruments on behalf of the transferring participant. Refer to ["WIC ELIGIBILITY REQUIREMENTS"](#) in this section.
13. Transferring WIC participants that are age 18 or over must be offered voter registration.

14. Food instruments must be issued until the end of the certification expiration date on the VOC or to the end of the food benefit cycle. If Kentucky certification policy allows for a longer certification period, the person must receive benefits according to Kentucky policy.
15. If the VOC is valid and caseload slots are available, the site must immediately add the participant. If caseload slots are not available, the person shall be placed on the waiting list ahead of all waiting list individuals. Refer to [“WAITING LIST”](#) in this section.
16. When the losing clinic is providing a VOC, issuance of future food instruments should be done when appropriate to prevent a lapse in benefits and to reduce visits to the clinic.
17. An in-state Transfer/VOC participant with valid food instruments from the transferring site should retain to use those food instruments as long as they are still appropriate. It is unacceptable to void valid food instruments issued by the transferring site and reissue the same food package at the receiving site.
18. If a participant has a VOC from another state, it must be determined if issuance of food instruments is appropriate. If the participant is to receive formula that requires a prescription, refer to the PHPR, WIC Section, WIC Policies for Prescribing Food Packages.

B. Enrolling A Transfer Participant Without A VOC

1. For an in-state participant:
 - a. Residence requirements must be met. Request proof of residence and identity. If proof cannot be provided, refer to WIC ELIGIBILITY REQUIREMENTS, [“Applicant Unable To Provide Proof Of Residency At WIC Certification”](#) and/or [“Applicant Unable To Provide Proof Of Identity At WIC Certification.”](#)
 - b. Obtain needed information.
Contact the previous site. Inform them the person is seeking WIC at your site and request needed information: date of the certification, recertification or next action due date, first full package issue month/date, food package code, prescription expiration date if applicable, and valid dates of the last food instruments issued. Document obtained information in the medical record.
2. For an out-of-state-participant:
 - a. Residence requirements must be met. Request proof of residence and identity. If proof cannot be provided, refer to WIC ELIGIBILITY REQUIREMENTS, [“Applicant Unable To Provide Proof Of Residency At WIC Certification”](#) and/or [“Applicant Unable To Provide Proof Of Identity At WIC Certification.”](#)
 - b. Contact the previous site for the needed information. Inform them the person is seeking WIC at your site. Document information obtained. If information cannot be obtained or the certification period has expired, screen the person as a new applicant. Refer to [“WIC ELIGIBILITY REQUIREMENTS”](#) in this section.

CASELOAD MANAGEMENT

1. Caseload management involves identifying the target population and any special populations, informing and enrolling the target populations, and encouraging consistent and continued participation of enrolled individuals.
2. Outreach shall be done to provide information about the WIC Program. Refer to [“OUTREACH AND COORDINATION”](#) in this section.
3. All eligible persons are assigned a status and a priority for caseload management and reporting purposes. Refer to [“STATUS AND PRIORITY”](#) in this section.
4. All priority I through VI persons shall receive WIC services unless the State WIC Office directs otherwise.
5. Infants that are fully breastfed are eligible and receive no formula from WIC must be certified and added/enrolled with a BF1/F1 food package. Refer to [“ENROLLMENT AND PARTICIPATION”](#) in this section.

Partially breastfeeding women who have requested more than the maximum amount of formula allowed for a partially breastfed infant and do not receive a food package are continued on the program until breastfeeding ends or until one (1) year post-delivery.

The monthly enrollment report and participation report should be reviewed to assess increases or decreases in numbers, i.e., total number, number in a specific status or priority, etc.

Participation is the basis of WIC funding.

Enrolled women, infants and children who receive food instruments and enrolled infants that are fully breastfed are participants. Assigning the BF1 allows the infant fully breastfeeding to count as a participant without the issuance of food instruments until the appropriate age is achieved. Refer to [“ENROLLMENT AND PARTICIPATION”](#) in this section.

6. All enrolled persons should be encouraged to obtain food instruments for all months of their certification period. Options to encourage continued participation are:
 - a. Extended hours and lunch hour appointments. Refer to the AR, Vol. I, Section VIII: LHD Operations, Days and Hours of Operation.
 - b. Using proxies. Refer to Use of Proxies in this section and Food Delivery/Data, Issuance to Proxies.
 - c. Three (3) month issuance of food instruments. Refer to Food Delivery/Data, Food benefit Issuance.
 - d. Mailing food instruments. Refer to Food Delivery/Data, Mailing Food instruments.
 - e. Scheduling appointments, taking into consideration needs of the applicant/participant/caretaker, particularly minimizing time away from work for working individuals and distances for travel for individuals who reside in rural areas.
7. Scheduling and services may be coordinated for all household members by creating and maintaining a Household Record in the system to link the members. Refer to Food Delivery/Data, Screens, Household Record.
8. A maximum of three (3) months of food instruments may be issued at one time. Three months issuance maximizes benefits to the person, maximizes participation and reduces patient time in clinic.

9. Appointments should be scheduled for all WIC services. Participants that “walk-in” without an appointment should be seen if possible. Refer to [“WIC PROCESSING STANDARDS AND SCHEDULING”](#) in this section.
10. An enrolled person who fails to pick-up food instruments for two (2) consecutive months from the last date to use on the last food instruments received is considered a dropout and is terminated from WIC. Refer to [“DROPOUT/NONPARTICIPATION”](#) in this section.
11. A reminder for an upcoming appointment should be made to improve the show rate for appointments. Participants should be given their scheduled appointment in writing at the time the appointment is scheduled. Appointments may be written in the eWIC cardholder. If an auto dialer is available, it should be used to remind participants/caretakers of scheduled appointments when home contact and permission is authorized. Refer to Food Delivery/Data, Auto Dialer Download.
12. Patients requesting “no home contact” or a privacy restriction should be excluded from contacts/follow-up.
13. Follow-up for missed appointments should be made to encourage continued participation. Reports available for this purpose are:
 - The 7 Day Late Food benefit Pick-Up List and the 30 Day Late Food benefit Pick-Up List. Refer to Dropout/Nonparticipation in this section and Food Delivery/Data, System Reports.
 - The PSRS daily missed appointment list (Report 865). Mailing labels are also provided for this report (Report 864). To get these reports, request them by contacting the Local Health Help Desk. Refer to Patient and Community Health Services Reporting and Billing Procedures, Missed Appointment List and Labels.
14. Follow up may be a mailed card, letter or a telephone call. A reminder postcard is available for this purpose. Refer to Forms and Supporting Information in this section.
15. Documentation of all appointments and contacts made or attempted must be in the patient's medical record. Refer to the PHPR, Follow-up/Internal Tracking/Referral.
16. No-show rates should be monitored. Participant surveys may be beneficial to determine why appointments are not kept. Refer to the AR, Vol. I, Section: Accreditation and Quality Assurance/Quality Improvement for a sample survey.
17. An active caseload should be maintained by having a high number of enrolled persons obtaining food instruments and by completing actions timely. A participation rate (percent of enrollment that is participating) of 95 percent or higher should be maintained. The Actions Due report should be worked timely.
18. If the State WIC Office determines funds are inadequate to serve all eligible persons, WIC services are provided to persons in greatest nutritional need based on priority.
 - a. Persons shall be served by priority with the highest priority served first. Priority I persons must be served first, priority II persons must be served next, etc.
 - b. Persons that are new enrollees/adds and persons recertified must be served by priority with the highest priority served first. A priority I new enrollee must be served before a priority III participant is recertified to continue.
19. If the State WIC Office determines that funds are not adequate to serve all eligible persons, all sites will be required to implement and maintain a priority waiting list. Eligible persons that cannot be served must be placed on the waiting list as directed by the State WIC Office. Refer to [“WAITING LIST”](#) in this section.

Reports are produced for use in caseload management. Refer to FOOD DELIVERY/DATA section, ["SYSTEM REPORTS."](#)

- a. Enrollment
- b. Participation
- c. 7 Day Late Food benefit Pickup List
- d. 30 Day Late Food benefit Pickup List
- e. Actions Due
- f. Automatic Terminations
- g. Medicaid Recipients not on WIC
- h. Waiting List (when applicable)

OUTREACH AND COORDINATION

A. General Policies

1. Outreach shall be done for all categories of eligible persons on an annual basis. Emphasis shall be placed on reaching and enrolling:
 - a. Pregnant women in the early months of pregnancy;
 - b. Priority I infants;
 - c. Migrant workers and their family members;
 - d. Homeless individuals;
 - e. Infants and children in foster care, protective services, or child welfare agencies.
2. WIC services should be provided in coordination with public health and/or other health services. However, participation in other services must not be required in order to receive WIC, nor can WIC benefits be withheld pending other services.
3. Services may be coordinated for household members by creating a Household Record in the system to link the members. Refer to CMS/EBT User Manual.
4. If an auto dialer is available at the site, it should be used to remind applicants/participants of scheduled appointments.
5. Staff shall attempt to contact each pregnant woman who missed her initial appointment for WIC certification to reschedule the appointment. Individuals specifying “no home contact” or a privacy restriction are excluded from this requirement. Refer to [“WIC PROCESSING STANDARDS AND SCHEDULING”](#) in this section.
6. Applicants/participants or their caretakers shall be provided information on other health related programs and assistance programs and referred when appropriate. Refer to [“RIGHTS AND RESPONSIBILITIES”](#) in this section and the PHPR, VOLUME I, SECTION: GENERAL INFORMATION, “OUTREACH SERVICES.”
7. Written information about the Medicaid Program shall be provided and the individual referred if appropriate. To meet this requirement, information on Medicaid is included on the “eWIC Cardholder” given to eligible persons and on the [“WIC PROGRAM NOTICE OF INELIGIBILITY \(WIC-54\)”](#) given to those determined ineligible.
8. Pregnant women should be screened for Medicaid Presumptive Eligibility if provided by the site, or referred to the appropriate agency for this determination.
9. Immunization records shall be requested for infants and children applying for WIC and the records assessed for immunization status. Referrals shall be made as appropriate. Refer to the AR, VOL. I, SECTION: TRAINING GUIDELINES AND PROGRAM DESCRIPTIONS, “IMMUNIZATION LINKAGE INTERVENTIONS WHICH MUST BE IN PLACE TO ENSURE CHILDREN ARE PROPERLY IMMUNIZED.”
10. The PSRS provides a reminder system to coordinate services for WIC, immunizations, and Well Child. A message will display at appointment scheduling and at registration to alert staff of services that may be due.
11. Information on other sources for food assistance in the area should be provided when applicable.

12. A list of local resources for drug and other harmful substance abuse counseling and treatment shall be maintained and made available for distribution.
13. At least annually, the local agency shall publicly announce the availability of WIC services, including the eligibility criteria and the location of the agency/site. If homeless facilities are in the service area, information should be included on the requirements for their residents to participate in WIC. (Refer to ["HOMELESS PERSONS AND PERSONS LIVING IN INSTITUTIONS"](#) in this section). Public service announcements should be used when possible.
14. Information about WIC, including the eligibility criteria and the location of the agency/site shall be provided to other health agencies and to agencies and organizations that deal with persons possibly eligible for WIC. Referrals to WIC from these agencies should be encouraged.
15. WIC services must be made available to meet the need. Options available to meet varying needs are:
 - a. Extended hours and lunch hour appointments. Refer to the AR VOLUME I, SECTION: LHD OPERATIONS, "DAYS AND HOURS OF OPERATION."
 - b. Scheduling appointments, particularly for employed individuals and individuals who reside in rural areas. Refer to ["WIC PROCESSING STANDARDS AND SCHEDULING"](#) in this section.
 - c. Using proxies. Refer to ["USE OF PROXIES"](#) in this section and FOOD DELIVERY/DATA section, ["ISSUANCE TO PROXIES."](#)
 - d. Three (3) months issuance of WIC food instruments. Refer to [FOOD DELIVERY/DATA](#) section.
 - e. Mailing food instruments. Refer to [FOOD DELIVERY/DATA](#) section.
 - f. Opening a new service site. Refer to ["OPENING A NEW SITE FOR WIC SERVICES"](#) in this section.
 - g. Certification in the hospital or the individual's home. Refer to ["HOSPITAL CERTIFICATION REQUIREMENTS"](#) and ["HOME CERTIFICATION REQUIREMENTS"](#) in this section.
16. All outreach materials and advertisements must include the required non-discrimination statement. This statement is included in the AR Volume I, Section: Personnel, Civil Rights Act of 1964.
17. Outreach efforts must be documented. Refer to ["Documentation"](#) below.

B. Agencies/Organizations To Outreach

1. At a minimum, information on WIC must be provided annually to the following agencies/organizations in the service area:
 - a. Health and medical organizations, including private doctor offices
 - b. Hospitals and clinics, including rural health clinics
 - c. Welfare and unemployment offices
 - d. Social service agencies, including foster care, protective services, and child welfare
 - e. Migrant worker organizations

- f. Organizations/agencies serving homeless individuals
 - g. Religious and community organizations
2. Information on WIC should be provided to other agencies/organizations in the area, such as:
- a. Child care centers
 - b. Head Start
 - c. Factories
 - d. Military bases
 - e. Schools, colleges, and universities
 - f. Other agencies identified in the AR VOLUME I, SECTION I: GENERAL INFORMATION, [“OUTREACH SERVICES.”](#)
- C. Information for Outreach and Coordination
1. Several items are available to use in outreach. Refer to [“FORMS AND SUPPORTING INFORMATION”](#) in this section.
 - a. WIC Helps - pamphlet
 - b. WIC Is Growing Healthy Families - pamphlet
 - c. Health Care Providers And Kentucky WIC - pamphlet
 - d. Kentucky WIC Program Physician Referral Form
 - e. Tell Your Friends About WIC - coupon
 - f. Stretch Your Food Budget - poster
 - g. Pregnant? New Baby? - poster
 - h. Sample Outreach announcement
 2. An agency/site may develop materials for outreach. Locally developed materials for WIC must include the required non-discrimination statement. Refer to the AR VOLUME I, SECTION: PERSONNEL, “CIVIL RIGHTS ACT OF 1964.” If the material is too small to permit the full non-discrimination statement to be included, the material must at a minimum include the statement, in print size no smaller than the text, that “This institution is an equal opportunity provider.”
 3. Several system reports are available to use in outreach. Individuals on these reports are possibly eligible for WIC.
 - a. Medicaid Recipients Not On WIC. Refer to FOOD DELIVERY/DATA section, [“SYSTEM REPORTS.”](#)
 - b. PEFs Positive Pregnancy Log, Report Number 439.
 - c. PEFs Children Under 6 With Blood Lead 15 – 19, Report Number 2528.
 - d. PEFs Children Under 6 With Blood Lead >19, Report Number 2529.
 4. Items may be purchased for outreach and/or promotion of the WIC Program. Items specifically for WIC are allowable expenses to the agency’s allocated WIC budget. The following guidance should be considered for WIC Program purchases:

- a. Program incentive items refers to a class of goods, usually of nominal value, that are given to applicants, participants, potential participants, or persons closely associated with the WIC Program (such as staff) for purposes of outreach, nutrition education, or breastfeeding promotion. Other terms that may be used to describe these items include memorabilia, souvenirs, or promotional items.
- b. Program incentive items for outreach should:
 - (1) Contain a WIC specific designation or message for the target population.
 - (2) Normally be seen in public.
 - (3) Contain the nondiscrimination statement if a publication or other printed material that includes program information.
 - (4) Have value as outreach devices.
 - (5) Include WIC contact information such as the agency name, address and/or telephone number.
 - (6) Constitute (or show promise of) an innovative or proven way of encouraging WIC participation.
- c. Supporting documentation must be maintained for WIC purchases. Documentation must include the item purchased, quantity, where purchased, date, and cost.

D. Documentation

- 1. An agency and/or site must establish an outreach file and maintain up-to-date documentation.
- 2. All outreach must be documented. Documentation should include copies of correspondence, information provided to agencies/organizations, participation in health fairs/exhibits, presentations, etc.

INELIGIBILITY AND DISCONTINUATION OF BENEFITS

A. General Policies

1. Persons determined ineligible for WIC or who will no longer receive WIC benefits must be provided written notice of the reason and the right to a hearing in most situations (see applicable situations below).
2. The WIC Program "NOTICE OF INELIGIBILITY (WIC-54)" shall be used for the written notice.
3. Documentation of the reason for ineligibility or discontinuation of benefits, along with all supporting information and forms, and the copy of the completed WIC-54, shall be in the person's medical record. Additional actions, as specified below, shall also be completed and documented in the medical record.

B. Reasons for Ineligibility and Discontinuation of Benefits

For information and instructions on the WIC-54, see ["FORMS AND SUPPORTING INFORMATION"](#) in this section. For all system actions, refer to [FOOD DELIVERY/DATA](#) section.

1. Status/Category-does not meet the definition of infant, child, pregnant, breastfeeding or postpartum woman.
 - a. New Applicant At Certification – Complete and provide WIC-54.
 - b. Current Enrollee
 - (1) At Recertification – Complete and provide WIC-54. Complete a "T" action in the system.
 - (2) During a Certification Period – When a child reaches age five (5), a postpartum woman reaches six (6) months postpartum, a breastfeeding woman discontinues breastfeeding and does not qualify as a postpartum woman, or a breastfeeding woman's infant reaches age one (1), he/she is no longer eligible for the WIC Program.
 - (a) Provide at least a fifteen (15) day notice that the certification is about to expire.
 - (b) Provide food instruments for the month the participant becomes categorically ineligible if the benefits begin before the date he/she becomes ineligible.
 - (c) For breastfeeding women that discontinue breastfeeding after six (6) months postpartum, complete a "T" action.
 - (d) All others becoming status/categorically ineligible will be terminated automatically in the system. A "T" label will be printed for the participant's medical record.
2. Residence – not a Kentucky resident.
 - a. New Applicant At Certification – Complete and provide WIC-54.
 - b. Current Enrollee
 - (1) At Recertification – Complete and provide WIC-54. Complete a "T" action.
 - (2) During a Certification Period – If a participant informs you he/she is moving, provide a VOC to transfer eligibility. Refer to ["TRANSFER/VOC"](#) in this section. Complete a "T" action if applicable.
3. Income - does not meet income criteria.
 - a. New Applicant At Certification – Complete and provide WIC-54.

- b. Current Enrollee
 - (1) At Recertification – Complete and provide WIC-54. Complete a “T” action.
 - (2) During A Certification Period – If new information for income eligibility becomes available during a certification period through screening for other services, screening of other household members, income verification or patient/caretaker reporting information, eligibility to continue on WIC must be evaluated if more than 90 days remains in the certification period. Procedures are:
 - (a) Adjunct eligibility no longer applies – Screen for income eligibility. If income exceeds eligibility levels, complete and provide WIC-54 at least fifteen (15) days in advance of termination. Complete a “T” action. Applies to all affected household members. Refer to PATIENT SERVICES REPORTING SYSTEM, APPENDICES, WIC INCOME ELIGIBILITY REQUIREMENTS, “New Income Information.”
 - (b) Income exceeds eligibility levels – Review for adjunct eligibility. If no adjunct eligibility, complete and provide WIC-54 at least fifteen (15) days in advance of termination. Complete a “T” action. Applies to all affected household members. Refer to PATIENT SERVICES REPORTING SYSTEM, APPENDICES, WIC INCOME ELIGIBILITY REQUIREMENTS, “New Income Information.”
 - (c) Other Household Member(s) – Other household members on WIC whose eligibility is no longer supported by income information must be terminated also. An entry to the CH-3A must explain the reason for termination. Complete and provide WIC-54 at least fifteen (15) days in advance of termination. Complete a “T” action.
- 4. Risk - does not meet nutritional risk criteria.
 - a. New Applicant At Certification – Complete and provide WIC-54.
 - b. Current Enrollee At Recertification – Complete and provide WIC-54. Complete a “T” action in the system.
- 5. Participant Abuse - commits abuse of the Program. Refer to [“PARTICIPANT ABUSE”](#) in this section. Complete and provide WIC-54 at least fifteen (15) days in advance of the action. Complete a “T” action if indicated for the specific abuse.
- 6. Nonparticipation/Drop-out - does not receive food instruments for two (2) consecutive months (sixty [60] days from the benefits ending date on the WIC Benefits Shopping List issued. No written notification is required prior to termination since this policy is provided to the participant at certification in the Kentucky eWIC Benefits Card Pamphlet.
 - a. After two (2) months of nonparticipation, the person will be automatically terminated by the system. A “T” label will be produced for placement in the medical record. “Non-Part.” (nonparticipation) is printed on this label to document the reason for termination.
 - b. If the person seeks WIC services after termination and eligibility remains in this certification period, he/she shall be reinstated.
- 7. Proof not presented following a hospital certification or proof presented does not support eligibility.
 - a. Complete and provide WIC-54. A fifteen (15) day advance notice is not required.
 - b. Complete a “T” action. Place the label on the CH-3 in the medical record and document the reason for termination.
 - c. If the person is terminated for not bringing proof within the thirty (30) day limit and later brings proof that supports eligibility, he/she should be reinstated if the certification period has not expired. Refer to [“Certification Periods”](#) in this section and FOOD DELIVERY/DATA section.

PARTICIPANT ABUSE

The Assistance Program Fraud Law applies to the WIC Program. [KRS 194A.505](#) outlines prohibited activities that apply to participants, in addition to others. Penalties in [KRS 194A.990](#) may be imposed against persons determined to have violated [KRS 194A.505](#) by committing fraud against an assistance program. Penalties range from a Class A misdemeanor to a Class D felony.

A. General Policies

1. Participants, or the parent, caretaker or authorized proxy must be informed of rights and responsibilities in the Program, how to properly use food instruments, and authorized stores where food instruments may be redeemed. The eWIC Cardholder, Kentucky eWIC Benefits Card pamphlet, along with a current list of local authorized stores, must be provided at the time of certification.
2. Program abuse may be committed by the participant, the participant's parent, caretaker or authorized proxy. Any suspension, disqualification or termination for abuse is imposed on the participant.
3. If abuse is suspected or a complaint of abuse is made against a participant, parent, caretaker or authorized proxy, or abuse is determined, the agency/site shall:
 - Obtain as much information as possible concerning the abuse. If a complaint is made, attempt to obtain the complaint in writing. An optional form is available for a participant complaint made by a vendor. Refer to [VENDOR MANAGEMENT](#) section.
 - Determine and/or document if the abuse actually occurred.
 - Discuss the abuse with the participant, parent or caretaker.
 - Document the discussion, the date of the discussion, and all other pertinent information in the participant's medical record.
 - Provide any required written notice(s) to the participant, parent, caretaker or authorized proxy. Place a copy of the notice(s) in the participant's medical record.
4. Participants determined to have committed abuse of the Program including, but not limited to, the abuses outlined in this section cannot be suspended for more than three (3) months.
5. If a second offense of abuse is suspected or has occurred, all action for the first offense must be completed and documented before any action is taken on the second offense.
6. The State WIC Office may refer participants who repeatedly abuse the WIC Program to the Office of the Inspector General for prosecution under applicable statutes.
7. Administrative Regulation [902 KAR 4:040](#) outlines the applicable sanctions for WIC abuse as well as the fair hearing procedure for persons who are terminated, suspended or disqualified from the Program. Additionally, refer to AR VOLUME I, SECTION: TRAINING GUIDELINES AND PROGRAM DESCRIPTIONS, "WIC PROGRAM APPLICANT/PARTICIPANT FAIR HEARING PROCEDURES."

B. Types of Actions For Abuse

1. **Written Warning**
A written warning is a letter provided to the participant, parent, caretaker or authorized proxy that states the type of abuse, i.e., selling WIC foods, and the action that will be taken for any future abuse.
2. **Suspension**
A suspension is the loss of food instruments for the specified period. When a suspension is imposed, the participant shall not be issued food instruments for the period of the suspension. A participant receiving a suspension is not terminated from the Program. A participant receiving a suspension shall be notified in writing fifteen (15) days in advance of the reason for

the suspension, the period of the suspension, and the right to a fair hearing. This notice must be provided by use of the WIC-54, [NOTICE OF INELIGIBILITY](#). Refer to [“FORMS AND SUPPORTING INFORMATION”](#) in this section.

3. Disqualification

A disqualification is removal from WIC Program participation. When a disqualification is imposed, the person shall be terminated from the program. The person shall be notified in writing fifteen (15) days in advance of the reason for the disqualification, the period of the disqualification and the right to a fair hearing. This notice must be provided by use of the WIC-54, [NOTICE OF INELIGIBILITY](#). Refer to [“FORMS AND SUPPORTING INFORMATION”](#) in this section.

4. Termination

A termination is removal from the WIC Program without fifteen (15) days advance notice, as in the case of termination for dual participation. The person is notified in writing of the reason for the termination, and the right to a fair hearing. This notice must be provided by use of the WIC-54, [NOTICE OF INELIGIBILITY](#). Refer to [“FORMS AND SUPPORTING INFORMATION”](#) in this section.

5. Claim

A claim is the request for reimbursement of the dollar amount of over issued or improperly received WIC foods. This is determined by the value of the redeemed food instruments. The agency/site is responsible for the collection of a claim. For an abuse that results in a claim:

- Contact the State WIC Office to determine the amount of the claim and if collecting the claim is cost effective. Copies of supporting information should be obtained.
- If a claim is to be made, provide written notice to the participant, parent, caretaker or authorized proxy of:
 - The reason for the claim and the action against the participant. The WIC-54 shall serve as the notice of action and fair hearing rights.
 - The dollar amount to be repaid for the over issued or improperly received foods. A check or money order payable to the Kentucky State Treasurer must pay the amount.
 - The date the claim is to be paid.
- The check or money order received from the participant, parent, caretaker or authorized proxy must be forwarded to the State WIC Office.
- If the claim is not paid, the participant will be denied application to the Program for the number of months of food instruments which were used to calculate the claim amount, not to exceed three (3) months.

C. Types of Abuse And Action To Be Taken

1. Suspected Abuse: A written warning shall be given for the following suspected abuse for which a complaint is received concerning a participant or the participant's parent, caretaker or authorized proxy:
 - a. Purchasing unauthorized foods;
 - b. Redeeming food instruments at an unauthorized store;
 - c. Making a verbal offer of sale or exchange supplemental food or eWIC card with food instruments to another individual, group or a vendor;
 - d. Returning supplemental foods to a vendor for cash.

2. Proven or Documented Abuse: The following specified action shall be taken for a proven or documented abuse by a participant or the participant's parent, caretaker or authorized proxy:
- a. Redeeming food instruments before the "first day to use" or after the "last day to use." Copies of redeemed food instruments must support this.
 - 1. First offense: Written warning
 - 2. Second offense: Monthly pick-up of food instruments.
 - 3. Third offense: One month suspension
 - 4. Reinstatement of two or three month issuance is at professional discretion.
 - b. Redeeming food instruments which have been previously reported to the WIC agency/site as being lost or stolen and which were replaced with other food instruments. Copies of redeemed food instruments must support this.
 - 1. First offense: Written warning
 - 2. Second offense: Claim for the amount of improperly redeemed food instruments.
 - c. Purchasing unauthorized foods.
 - 1. First offense: Written warning
 - 2. Second offense: One (1) month suspension
 - d. Redeeming food instruments at an unauthorized store. Copies of redeemed food instruments should support this.
 - 1. First offense: Written warning
 - 2. Second offense: One (1) month suspension
 - e. Threatening physical abuse or verbal abuse of clinic staff or store staff.
 - 1. First offense: Written warning. If possible, another person in the clinic may serve the participant.
 - 2. Second offense: One month suspension
 - f. Physical abuse of clinic staff or store staff.
 - 1. First offense: Three (3) month suspension
 - 2. Second offense: Three (3) month suspension
 - g. Exchanging and/or selling WIC food or food instruments with other individuals, groups or stores.
 - 1. First offense: Three (3) month suspension
 - 2. Second offense: Three (3) month suspension
 - h. Exchanging food instruments or supplemental foods for credit, nonfood items or supplemental food in excess of those listed on the food instrument/cash value benefit.
 - 1. First offense: Three (3) month suspension
 - 2. Second offense: Three (3) month suspension
 - i. Posting WIC foods, benefits and/or eWIC cards for sale in print or online, or allowing someone else to do so.
 - 1. First offense: Written warning
 - 2. Second offense: Three (3) month suspension

- j. Dual participation in more than one (1) WIC Program or participation in both the WIC Program and [Commodity Supplemental Food Program](#) (CSFP) at the same time. Possible dual participation information is provided on-line and/or in a report. The other agency/site must be contacted immediately if dual participation is suspected. Actual participation in two (2) WIC sites should be supported by system documentation of redeemed food instrument benefits, if possible.
 - 1. First offense: Written warning and termination from one (1) Program immediately. The continuing WIC agency shall be chosen based upon the participant's residence and/or services.
 - 2. Second offense: One (1) year disqualification and termination from one (1) Program immediately and claim for the food instruments redeemed.
 - k. Knowingly and deliberately giving false or misleading information, or misrepresenting, concealing or withholding facts to obtain WIC foods. Must have verification to impose a claim.
 - 1. First offense: Claim for improperly redeemed food instruments. Disqualifies the participant for three (3) months.
 - 2. Second offense: Claim for improperly redeemed food instruments. Disqualifies the participant for one (1) year.
 - l. Intent to sell supplemental foods in print or online by posting their WIC foods, benefits and/or EBT card for sale.
 - 1. First offense: Three (3) month suspension
 - 2. Second offense: Three (3) month suspension
3. Disqualification for one year
- a. A participant is disqualified for one (1) year when the following is assessed:
 - 1) A claim of \$100 or more; or
 - 2) A claim for dual participation; or
 - 3) A second or subsequent claim of any amount.
 - b. The disqualification may not be imposed if, within thirty (30) days of receipt of the claim letter requiring repayment:
 - 1) Full restitution is made; or
 - 2) A repayment schedule is agreed on; or
 - 3) When a participant is under eighteen (18) a proxy is designated and approved.
 - c. A participant may reapply for the WIC Program before the end of the disqualification period if:
 - 1) Full restitution is made; or
 - 2) A repayment schedule is agreed on; or
 - 3) When a participant is under eighteen (18) a proxy is designated and approved.
4. All other forms of abuse or suspected abuse should be referred to the State WIC Office for guidance on appropriate action.

HOSPITAL CERTIFICATION REQUIREMENTS

1. WIC services may be provided in the hospital when the need exists and when appropriate. Certification in the hospital should expedite services and target new participants. All WIC requirements in the PUBLIC HEALTH PRACTICE REFERENCE (PHPR) and the ADMINISTRATIVE REFERENCE (AR) must be followed.
2. Hospital certification should target newborn infants of mothers on WIC and new mothers that were not WIC participants during their pregnancy. Recertification of a postpartum woman on WIC during pregnancy is not appropriate when she has WIC eligibility remaining from her certification as a pregnant woman until six (6) weeks postpartum. Her recertification must be scheduled as appropriate.
3. If one staff member is determining eligibility and issuing food instruments at a hospital certification, records for the certification and issuance must be reviewed and signed by the supervisor. Refer to Conflict of Interest in this section.
4. Patients in the hospital may live outside the agency service area. If patients outside the service area are certified, one (1) month of food instruments should be issued and the patient transferred to the agency where they reside. If patients outside the service area are not certified, they should be provided information about WIC and referred to the agency in their county of residence.
5. Security of information and food instruments must be ensured. Handwritten food instruments can be used alone for issuance or in conjunction with preprinted food instruments. Food instruments may be assigned from a site's inventory or a separate site may be established if appropriate.
6. All eligibility requirements must be met. If proof of residence, identity, adjunct eligibility or income is not available, a thirty (30) day certification pending presentation of proof is allowed. If all proof is presented, the certification is treated the same as any other certification. Refer to ["WIC ELIGIBILITY REQUIREMENTS"](#) in this section.
7. All appropriate forms must be completed and filed in the person's medical record.
8. Physical presence must be documented. Since the health professional is at the hospital, the applicant should be seen and physical presence answered "yes." Refer to ["WIC ELIGIBILITY REQUIREMENTS"](#) in this section.
9. Registration and income information must be gathered and documented on the Patient Registration and Income Determination form (CH-5B). Refer to PATIENT AND COMMUNITY HEALTH SERVICES REPORTING AND BILLING PROCEDURES, CH5-B/Patient Registration and Income Determination.
10. Identification of the person being certified must be requested. If proof of identity is presented, the appropriate proof code should be documented on the CH5-B. The hospital record, birth card, crib card, or identification bracelet is acceptable. If no documentation of identity is seen, the hospital certification code of 24 is used for the identity proof code on the CH5-B. If the situation exists that proof of identity for the woman being certified cannot be provided, procedures for ["Applicant Unable to Provide Proof of Identity at WIC Certification"](#) in WIC ELIGIBILITY REQUIREMENTS should be followed.
11. Residence must be documented on the CH5-B and residence requirements must be met. Proof of residence should be obtained if possible, i.e., if the patient/caretaker has proof with her or if staff has access to the hospital record. In this situation, the appropriate proof code should be recorded on the CH5-B. If no documentation of residence can be presented, the patient must self-declare the address. The hospital certification code of 24 is used for the residence proof code on the CH5-B. If the situation exists that proof of residence cannot be provided, procedures for ["Applicant Unable to Provide Proof of Residency at WIC Certification"](#) in WIC ELIGIBILITY REQUIREMENTS section should be followed.

12. Income eligibility must be determined and documented on the CH5-B. Determine if the person qualifies due to adjunct eligibility. If Medicaid eligible, this may be documented in the hospital record. If so, document the appropriate code on the CH5-B. If the patient states she is Medicaid eligible, verify this at the clinic through KY Health-Net, Voice Response, or DCBS. If adjunct eligibility does not apply, household income information must be gathered and compared to the income guidelines for eligibility. If proof of income is presented, document the proof code(s) on the CH5-B. If proof is not presented, the patient/caretaker must self-declare household income. The hospital certification code 24 is used as the proof code. If the situation exists that proof of household income cannot be provided, procedures for "Applicant Unable to Provide Proof of Income" should be followed. Refer to PATIENT SERVICES REPORTING SYSTEM, APPENDICES, "WIC Income Eligibility Requirements."
13. Nutritional risk must be determined and documented. "Guidelines For WIC Certification" in the PHPR, WIC Section, must be followed. If the health professional has access to the hospital record, information may be obtained from it. All required medical and nutritional information must be documented in the medical record.
14. A hospital certification done without the required proof for residence, identity, and/or income is for thirty (30) days. Proof must be presented in this 30-day period to continue the certification. The patient/caretaker must be informed that the certification is for 30 days and that proof must be presented in the 30-day period to continue the certification. If all proof was presented, the certification is treated the same as any other certification.
15. Issue handwritten food instruments. Coordinate issue dates with household members if applicable. If all required proof was seen, issue food instruments for the appropriate number of months. If the certification is pending any proof, a maximum of one month of benefits can be issued. The person receiving the food instruments must present proof of identity if proof has not previously been presented that allows for use of staff recognition. The type of proof must be documented on the food benefit stub(s). Food benefit issuance must be documented in the medical record. A report of enrolled pregnant women with their EDC is available for use to coordinate issue dates of the mother and her infant. Refer to [FOOD DELIVERY/DATA](#) section for issuance policies and procedures and ["SYSTEM REPORTS."](#)
16. Initial certification at the hospital for women age 18 and over must include voter registration. Refer to ["Voter Registration"](#) in this section.
17. Procedures must be established and in place for data entry. Data entry and posting of issuance must be done as soon as possible, but must not exceed one (1) week. WIC services are reported the same as in clinic, but with the appropriate service date and place of service.
18. It is the responsibility of the site to track hospital certifications done without proof and ensure proof is presented prior to issuing food instruments past the 30 days.
19. When proof is presented that supports eligibility, the medical record must be updated to document the type of proof presented. This may be done by handwriting the proof codes along with the date and staff initials on the CH-5B or by updating the Patient Registration screen and producing new labels. These labels should be placed on a new CH-5 with a note explaining the update.
20. If proof is not presented within the thirty (30) day period or proof does not support eligibility, the participant shall be determined ineligible and terminated from WIC with no further food instruments. Refer to ["INELIGIBILITY AND DISCONTINUATION OF BENEFITS"](#) in this section.
21. If the person was terminated for not bringing proof within the thirty (30) day period and later brings proof that supports eligibility, he/she should be reinstated if eligibility remains in the certification period. Refer to [FOOD DELIVERY/DATA](#) section.

HOME CERTIFICATION REQUIREMENTS

1. WIC services may be provided as a part of a home visit when the need exists and when appropriate. All WIC requirements in the PUBLIC HEALTH PRACTICE REFERENCE (PHPR) and the ADMINISTRATIVE REFERENCE (AR) must be followed. Refer to the WIC Clinical Section, WIC Procedures For Home Visiting and the Home Visiting Section.
2. Recertification of a postpartum woman on WIC during pregnancy is not appropriate when she has WIC eligibility remaining from her certification as a pregnant woman until six (6) weeks postpartum. Her recertification must be scheduled as appropriate.
3. If one staff member is determining eligibility and issuing food instruments at a home certification, records for the certification and issuance must be reviewed and signed by the supervisor. Refer to Conflict of Interest in this section.
4. Security of information and food instruments must be ensured. Food instruments may be assigned from a site's inventory or a separate site may be established if appropriate.
5. All eligibility requirements must be met. There is no certification pending proof of residence, identity, or adjunct eligibility or household income allowed for home certification. Refer to ["WIC ELIGIBILITY REQUIREMENTS"](#) in this section.
6. All appropriate forms must be completed and filed in the person's medical record.
7. Physical presence must be documented. Since the health professional is in the home, the applicant should be seen and physical presence answered 'yes.' Refer to ["WIC ELIGIBILITY REQUIREMENTS"](#) in this section.
8. Registration and income information must be gathered and documented on the Patient Registration and Income Determination form (CH-5B). Refer to PATIENT SERVICES REPORTING SYSTEM, Form CH-5B/Patient Registration and Income Determination.
9. Proof of identity, residence, and adjunct eligibility or household income must be seen. If the situation exists that proof cannot be provided, procedures should be followed for Applicant Unable To Provide Proof for that proof requirement. The type of proof must be documented on the CH-5B. If the patient states she is Medicaid eligible, verify Medicaid at the clinic through KY Health-Net, MDID, Voice Response, or DCBS.
10. Nutritional risk must be determined and documented. Guidelines For WIC Certification in the PHPR, WIC Section, must be followed. All required medical and nutritional information must be documented in the medical record.
11. Issue food instruments for the appropriate number of months. Coordinate issue dates with household members if applicable. The person receiving the food instruments must present proof of identity if proof has not previously been presented that allows for use of staff recognition. The type of proof must be documented. Issuance must be documented in the medical record. Refer to [FOOD DELIVERY/DATA](#) section for issuance policies and procedures.
12. Initial certification in the home for women age 18 and over must include voter registration. Refer to ["VOTER REGISTRATION"](#) in this section.
13. Procedures must be established and in place for data entry. Data entry and posting of issuance must be done as soon as possible, but must not exceed one (1) week. WIC services are reported the same as in clinic, but with the appropriate service date and place of service.

WAITING LIST

1. A waiting list is implemented only when directed by the State WIC Office. The State WIC Office will direct a waiting list be initiated and maintained when it is determined that funding is inadequate to serve all eligible persons seeking WIC.
2. A waiting list is a list of prioritized, eligible persons waiting to be added/enrolled to the WIC Program.
3. Priority and risk may be determined by pre-assessing the person through a WIC screening or from the person's medical record.
4. Persons are placed on the waiting list by completing a "W" action. Refer to FOOD DELIVERY/DATA section.
5. Migrants and participants transferring with a valid "VERIFICATION OF CERTIFICATION" (VOC) shall be placed on the waiting list ahead of all other persons. If the certification period has expired, the person shall be screened and if eligible, placed on the waiting list in the appropriate priority. Refer to ["TRANSFER/VOC"](#) in this section.
6. Persons placed on the waiting list must be notified in writing within twenty (20) days of their initial visit that they are on a waiting list. The notice must include:
 - a. Reason placed on the waiting list.
 - b. Right to a fair hearing.
 - c. Priority is based on nutritional risk and status.
 - d. Availability of other services at the agency/site and services from other agencies, such as food banks, Food Stamps, etc.
7. The system produces a monthly waiting list report. Refer to FOOD DELIVERY/DATA section, ["SYSTEM REPORTS."](#)
8. When caseload openings occur, persons must be added from the waiting list by priority order.
 - a. Migrants and participants that transferred with a [VOC](#) shall be served ahead of all other waiting persons.
 - b. Highest priorities shall be served first, i.e., all priority I persons shall be served before any priority II person, all priority II persons shall be served before any priority III person, etc.
 - c. Equal priorities within a priority shall be added to the Program by date placed on the waiting list (action date), i.e., a priority I placed on the waiting list on March 5 is added to the Program before a priority I placed on the waiting list on April 22.
 - d. Persons that are new enrollees/adds and persons recertified must be served by priority with the highest priority served first. A priority I new enrollee must be served before a priority III participant is recertified.
9. The waiting list must be updated as needed.
 - a. If the eligibility period has expired, eligibility must be again determined to remain on the waiting list.
 - b. Persons who do not wish to remain on the waiting list should be removed from the list. Documentation must be made in the medical record.

OPENING A NEW SITE FOR WIC SERVICES

When an existing site(s) cannot meet the needs of the population, a new site may be needed. Some factors to consider for a new site are: number of persons to be served, services to be provided, staffing, and cost.

A. General Policies

1. A site may perform certification, issuance, counseling, or a combination of these services.
2. A site must operate under all policies and procedures in the PUBLIC HEALTH PRACTICE REFERENCE (PHPR) and the ADMINISTRATIVE REFERENCE (AR).
3. If the new site is to operate in a non-health department site/facility, a separate patient medical record must be maintained for WIC services. This record must comply with the PHPR and the AR, and must remain the property of the local agency.
4. A service delivery site can operate in one of the following configurations:
 - Automated on-line site with its own site number
 - Automated on-line site operated under an existing site's number
 - Non-automated site with its own site number
 - Non-automated site operated under an existing site's number
5. To determine the most feasible operation, consideration should be given to:
 - The services to be provided at the site
 - Number of patients to be served
 - Number of days of operation per week
 - Cost of method of operation
6. The State WIC Office will give final approval for the operation of an automated on-line site based on the above considerations.

B. Procedures to Open a New WIC Site

1. Notify the State WIC Office a minimum of thirty (30) days prior to the desired opening of the site. A ["PROPOSED WIC SITE APPLICATION"](#) should be completed and sent to the State WIC Office to ensure all needed information is provided. Refer to ["FORMS AND SUPPORTING INFORMATION"](#) in this section.
2. If the site is approved as an automated on-line site, an "address" must be established in the system. The Division of Local Health Department Operations must be contacted, and the State WIC Office notified of the new address.
3. All appropriate forms, supplies, etc. must be available for the site's operation.
4. If food benefit issuance is done at the site, appropriate types of food instruments must be available. A supply of each must be requested from the State WIC Office. Refer to [FOOD DELIVERY/DATA](#) section.
 - a. Food instruments needed for issuance:
 - eWIC Cards
 - Handwritten- (Infant, Woman/Child, CVB)
 - b. Food instruments needed if not automated and a separate site number is used:
 - Handwritten- (Infant, Woman/Child, CVB)

- c. Food instruments needed if not automated and the existing site's number is used:
- Handwritten- (Infant, Woman/Child, CVB))

An existing site's inventory can be divided for use at the new site. Procedures must be in place for logging food instruments for the new site's use.

NOTE: Contact the State WIC Office for approval.

5. Security and accountability of food instruments must be maintained. All policies and procedures apply. If food instruments and stamps are transported, they must be kept separate and secure during transportation.
6. Procedures must be in place for data entry, if applicable. Data entry and posting of handwritten food instruments must be done as soon as possible, but must not exceed one (1) week.

CLOSING A WIC SERVICES SITE

When a site is no longer justified due to the number of participants seen and/or the number of services provided, the site may be closed or WIC services discontinued.

1. Notify the State WIC Office at least thirty (30) days in advance of the closing.
2. Adequate time must be provided to notify participants of the site closing and provide for their transfer to another site without interruption of services.
3. Issue food instruments to participants up to a maximum of three (3) months.
4. Transfer all participants to another site. Sites should be reviewed with the participant/caretaker to determine the most appropriate site for the patient's needs.
5. A VOC must be issued for the transfer to another site. This process will also result in the automatic termination of the participant from the closing site. Refer to ["TRANSFER VOC"](#) in this section.
6. All food instruments (handwritten/eWIC) in inventory at the closing site must be accounted for as issued or voided. All food benefit stub copies and food benefit screens must be reviewed to ensure all issued food instruments have been posted. Remaining food instruments must be voided and submitted to the State WIC Office through routine procedures (refer to FOOD DELIVERY/DATA section, ["VOIDING FOOD INSTRUMENTS"](#)). These voided food instruments should be submitted to the State WIC Office within one (1) week after closing the site.
7. If the site used food instruments inventoried to another site, return the food instruments to that site and that site's inventory. All used food instruments must be accounted for.
8. The agency stamp and void stamp must be transferred to another site or returned to the State WIC Office.
9. All original WIC medical record documentation and information (income, certification, counseling, issuance, etc.) must be maintained by the local agency. If this site operated in a non-health department facility, all WIC medical records (active and non-active) must be returned to the local agency.
10. All reports and information for this site must be transferred to one central location.
11. Any participants remaining in the closing site must be terminated. Numbers will continue on the Enrollment report until this is completed.
12. Certain reports will continue to be produced until all data is cleared or no longer pertinent. Reports must be reviewed to facilitate the closing process.

If the WIC items you need do not appear on this screen, several WIC items are located at the Frankfort Habilitation pamphlet library. These include:

WIC Certification Form – Women	WIC-75A
WIC Certification Form – Infants	WIC-75B
WIC Certification Form – Children	WIC-75C
WIC Helps Pamphlet	DPH-070
eWIC Benefits Card Pamphlets in English or Spanish	eWIC-1
eWIC Cardholders in English or Spanish	eWIC-3

Materials at the pamphlet library may be ordered by sending a fax to (502) 227-7191. Please include the item name, quantity needed, and the complete mailing address. An ordering form with instructions may be found on the Department for Public Health web site at: <http://chfs.ky.gov/dph/info/lhd/LHDforms.htm>.

eWIC AND HANDWRITTEN FOOD INSTRUMENTS CARD ORDER FORM

Purpose	For clinic staff to request additional eWIC cards and handwritten food instruments.
When To Use	When placing an order for eWIC cards and handwritten food instruments.
Ordering	Staff emails completed form to wic.helpdesk@ky.gov .

eWIC Card/Handwritten Food Instrument Order Form		
Participation	Cards On Hand	Order
1-400	40 or Less	100
401-800	40 or less	160

PROOF REQUIREMENTS REMINDER
WIC-PR – ENGLISH/SPANISH
WIC-PRB – ENGLISH/BOSNIAN

Purpose	To remind and/or inform persons of WIC requirements for proof.
When To Use	As needed. Use is optional.
Disposition	Is given to applicants, participants, and others for information.
Language	English on front with Spanish (WIC-PR) or Bosnian (WIC-PRB) on the back
Ordering	Ordered on CDS 880 – Want to Order WIC Forms and Supplies. Forms are wrapped 200 per package.

**WIC - Healthy Foods for Healthy Futures
for Women, Infants, and Children**

Could WIC help you? If the answer is yes, contact your local health department today. You will be asked to provide the following information so you or your household members can be screened for WIC.

Proof of your Identity...
***bring one of these for yourself and any other persons being screened:**

- ✓ Driver's License
- ✓ Work or School ID
- ✓ Hospital Birth Record
- ✓ Birth Certificate
- ✓ Social Security Card
- ✓ Voter Registration Card
- ✓ Immunization Record

Proof of your Residence...
***bring one of these:**

- ✓ Current bill for electric, gas, telephone, or cable
- ✓ Current lease or receipt
- ✓ Driver's license

Proof of your Household Income...
***bring for all sources of income for all household members:**

- ✓ Food Stamp Letter
- ✓ Current pay stub (last 30 days)
- ✓ W-2 forms
- ✓ Signed statement from employer
- ✓ Income tax forms for most recent year
- ✓ Unemployment letter/notice
- ✓ Check stub/award letter from Social Security
- ✓ Recent Leave and Earnings Statement (LES) for military
- ✓ Foster child placement/award letter
- ✓ Tax forms or accounting records for self-employed
- ✓ Copies of alimony or child support checks

* If you do not have proof and cannot get proof, please let us know.

Remember:

- If you or anyone that lives with you receives Medicaid, tell clinic staff. Medicaid eligibility may meet the proof requirements for WIC.
- Proof of household income must be provided if you have KCHIP III.
- Proof of identity and residence must be provided when you have Medicaid presumptive eligibility or BCTP.

This institution is an equal opportunity provider.
WIC-PR Rev. 12/2011

STATEMENT OF NO PROOF (WIC-NP)

Purpose	For an applicant to provide a written statement of their residence, identity, and/or income and the reason proof cannot be provided.
When To Use	When the applicant/participant does not have and/or cannot provide proof/documentation of residence, identity, and/or income. Completed form is good for the certification period. At recertification, if there still is no proof, another statement must be obtained. Use is optional.
Instructions	<ol style="list-style-type: none"> 1. Attach a patient label or write the patient's name and ID number in the space provided. 2. Ask the applicant to read the policy and warning (or read to the applicant if they are unable to read). 3. Check the item(s) for which the applicant is unable to provide proof. (One, two, or three items may be checked.) 4. Applicant (or staff if applicant is unable to write) writes a detailed statement explaining why he/she is unable to provide proof. 5. Applicant signs and dates on the line provided.
Disposition	File completed form in person's medical record.
Retention	Per medical record requirements.
Language	English (WIC-NP), Spanish (WIC-NPS), and Bosnian (WIC-NPB) versions are available.
Ordering	Ordered on CDS 880 – Want to Order WIC Forms and Supplies. Forms are packaged 100 per bundle.

Affix label or complete:
 Patient name: _____
 ID Number: _____

Kentucky WIC Program Statement of No Proof

For an applicant who has proof of residency, identity or income, but fails to bring it to the initial certification, inform the participant of proof requirements, and make a new certification appointment within the timeframe for appointment scheduling.

The WIC Program requires each applicant to show proof of residence (address), identification, and household income to be eligible for the WIC Program. Please read the following statement before completing this form.

I understand that by completing, signing, and dating this form, I am certifying that the information I am providing below is correct. I understand that giving false information to WIC is sufficient grounds for termination from the WIC Program and may result in paying the state agency, in cash, the value of the foods improperly received.

Completion of this form is for (check and complete all that apply):

☐ Address – applicant lives at: _____

☐ Identification – applicant's full name is: _____

☐ Income – applicant's total household income is: _____
 If reporting zero income, explain how your household expenses are being paid below.

Reason for No Proof of the above:

Applicant: _____ (Signature) _____ (Date)

WIC-NP
6/2009

Statement of No Proof Form Instructions

The purpose of this form is to document the reason proof of residency (address), identification, and/or total household income cannot be provided. This form should not be used on a routine basis. To complete this form:

1. Attach a patient label or write the patient's name and ID number in the space provided.
2. Ask the applicant to read the policy and warning (or read to the applicant if they are unable to read).
3. Check the item(s) for which the applicant is unable to provide proof. (One, two, or three items may be checked.)
4. Applicant (or staff if applicant is unable to write) writes a detailed statement explaining why he/she is unable to provide proof. If applicant reports zero household income, the statement should include how basic living necessities such as food, shelter, medical care, and clothing are obtained.
5. Applicant signs and dates on the line provided.

 **Applicant Unable to Provide Proof of Residency at WIC Certification**

- An applicant who has no current proof of residency, such as a victim of theft, loss, or disaster, a homeless individual, a migrant, or a person with a valid VDC, must provide a signed statement attesting to his/her residency. The statement must include the applicant's address, why written proof cannot be provided (i.e., theft, homeless), the date, and the applicant's signature.

 **Applicant Unable to Provide Proof of Identity at WIC Certification**

- An applicant who has no proof of identity, such as a non-citizen, victim of theft, loss or disaster, a homeless individual, a migrant, or a person with a valid VDC, must provide a signed statement attesting to his/her identity.
- The statement must include name, why written proof cannot be provided (i.e., theft, homeless), the date, and the person's signature.
- The statement must be filed in the patient's medical record.

 **Applicant Unable to Provide Proof of Income**

- An applicant who has no written proof of income, such as a migrant, a homeless person, or a person who works for cash, or who reports income as zero, can self-declare income and must provide a signed statement. An applicant whose military service personnel are temporarily absent from home and proof of gross military income cannot be produced, may self-declare income and must provide a signed statement.
- The statement must include why written proof of income cannot be provided (i.e., homeless, migrant), the date, and the person's signature. For zero income, an explanation of how living necessities such as food, shelter, medical care and clothing are obtained.

 **Applicant Failing to Bring Proof for Antenatal Eligibility at WIC Certification**

- Verification of current eligibility through K/HealthNet, Voice Response, MCO, the OGBD Office, or the provider determining Medicaid/Prenatal Eligibility is acceptable as proof. Verification by the health department staff that determined NSC/CTP eligibility is acceptable proof.
- If eligibility cannot be verified through the above procedures for the applicant who has proof but fails to bring it to the WIC certification/recertification, inform the applicant of the requirement for proof and make a new certification appointment within the timeframe for appointment scheduling. If the person has proof of household income with financial assets income for eligibility at this visit.

The proof code for Statement of No Proof (14) must be entered in the appropriate proof field.

The Statement of No Proof must be filed in the patient's medical record and applies to the entire certification period for which it was provided.

Kentucky eWIC Benefits Card Pamphlet (eWIC-1)

Purpose	To inform the participant of their rights and responsibilities, how to use WIC food instruments/cash value benefits and other important information, and to keep the card secure.
When To Use	At initial certification, recertification, and when participant needs to be informed of the information.
Instructions	Must provide a pamphlet to each new WIC Program participant.
Disposition	Give to participant/caretaker.
Retention	None. Is not retained by agency/site.
Language	English and Spanish versions are available.
Ordering	Ordered from Pamphlet Library. Pamphlets are packaged 100 per bundle.

Kentucky eWIC Rights and Responsibilities Form (eWIC-2)

Purpose	To inform the participant of their rights and responsibilities, and document the receipt of the eWIC card.
When To Use	This form must be provided for the participant to sign verifying he/she was informed of rights and responsibilities and verifying receipt of a card.
Instructions	Each eWIC card holder must sign at receipt of the eWIC card.
Retention	<p>Since household is used for EBT, a member's chart must be designated for filing documentation for the household. The signed form will be filed in a participant chart based on the following member designation:</p> <ul style="list-style-type: none">• If the card holder is a designated member in the household, file form in this member's chart.• If the card holder is not designated but Primary Member is, file form in primary member's chart.• If a Primary Member is not designated, designate a member.
Language	English and Spanish versions are available.
Ordering	Ordered from State WIC Office or copy as needed. Forms are packaged 100 per bundle.

eWIC RIGHTS AND RESPONSIBILITIES

PARTICIPANT RIGHTS AND RESPONSIBILITIES INFO SHEET

Purpose	To inform participants of their rights and responsibilities in the WIC Program.
When To Use	Distribute as needed. Copy as needed.

Information Sheet
Rev. 1/2010

Participant Rights and Responsibilities

The WIC Program provides you healthy foods and nutrition education. As a Program participant you have rights and responsibilities. These are:

- Standards for eligibility and participation in the WIC Program are the same for everyone, regardless of race, color, national origin, age, gender, or disability.
- You may appeal any decision made by the Local Agency regarding your eligibility for the WIC Program. For information on an appeal, ask for the Fair Hearing Procedures.
- Health services/referrals and nutrition education are available to you. You are encouraged to participate in these services.
- It is illegal for a person to be receiving food benefits from more than one WIC Program and/or Commodities Special Food Program (CSFP) at the same time.
- Keep your appointments. If you do not pick up your food benefits two months in a row, you will be removed from the WIC Program.
- If you pick up your food benefits late, you may not be given all the food benefits.
- If you misrepresent, conceal, or withhold facts in order to get WIC, you may be asked to repay the value of the food received and be removed from the WIC Program.
- Physical or verbal threats or abuse of the clinic or store staff could result in you not receiving WIC benefits.
- Misuse of benefits may result in removal from WIC or being asked to repay the value of the food received.
- Only share your card or PIN with people you have identified as a proxy. If you give someone your card and PIN and they misuse your food benefits, they will not be replaced.

FAIR HEARING PROCEDURES INFO SHEET

Purpose	To inform participants of their fair hearing rights and the procedures for a fair hearing.
When To Use	When the Notice of Ineligibility (WIC-54) is not appropriate and as needed. Copy as needed.

WIC Program Fair Hearing Procedures

If you have been denied WIC or had your WIC services discontinued or if you are being asked to pay for benefits received, you have a right to a hearing.

For a Hearing:

- Contact the local agency within sixty (60) days of the date you were denied WIC services or told to repay benefits and request a hearing.
- A hearing will be scheduled within three (3) weeks of when your request was received.
- You will be notified in writing at least ten (10) days before the hearing of the date, time, and place.
- You may be helped or represented by an attorney or other persons such as a friend or relative.
- Before the hearing you or your representatives may look at the documents and records to be presented.

Hearing Procedures:

- You or a representative must come to the hearing.
- During the hearing you or your representative may:
 - Bring witnesses to testify for you.
 - Look at the records presented by the local agency.
 - Tell your story and submit supporting information or evidence.
 - Question or deny information or evidence presented and question other person's testimony.

While Waiting for the Hearing Decision:

- If you have been receiving WIC, benefits will continue if you request a hearing within fifteen (15) days of the notice to stop services. Benefits can be received only until your certification expires.
- If you have been asked to pay for benefits received, collection efforts will stop.
- WIC benefits will not continue if:
 - Your certification has expired or expires.
 - You were not categorically eligible (pregnant, breastfeeding, or postpartum woman or child below age 5.)
 - You were denied WIC at a new eligibility determination.

Hearing Decisions

- You will be told in writing of the decision on your case within forty-five (45) days from the date the local agency received your request for a hearing.
- You or your representative can copy or review all hearing records.
- If the decision is for you, WIC services will begin immediately or will continue.
- If the decision is against you, WIC services will stop or the local agency may begin collection efforts for payment of benefits.
- If the decision was for the local agency, you can appeal to the State Agency within fifteen (15) days of the mailing date of the decision.
- The decision of the local hearing is binding on both parties unless overturned by the State.

Rev. 10/99

FAIR HEARING PROCEDURES POSTER

Purpose	To inform persons of the procedures for WIC Program Fair Hearings.
When To Use	May be used to meet the requirement to display the Fair Hearing procedures.
Language	English on front with Spanish on back.
Ordering	Ordered on CDS 880 – Want to Order WIC Forms and Supplies. Posters are ordered in any quantity as needed.

 - Tell your story and submit supporting information or evidence.
 - Question or deny information or evidence presented and question other person's testimony.

While Waiting for the Hearing Decision:

- If you have been receiving WIC, benefits will continue if you request a hearing within fifteen (15) days of the notice to stop services. Benefits can be received only until your certification expires.
- If you have been asked to pay for benefits received, collection efforts will stop.
- WIC benefits will not continue if:
 - Your certification has expired or expires.
 - You were not categorically eligible (pregnant, breastfeeding, or postpartum woman or child below age 5.)
 - You were denied WIC at a new eligibility determination.

Hearing Decisions

- You will be told in writing of the decision on your case within forty-five (45) days from the date the local agency received your request for a hearing.
- You or your representative can copy or review all hearing records.
- If the decision is for you, WIC services will begin immediately or will continue.
- If the decision is against you, WIC services will stop or the local agency may begin collection efforts for payment of benefits.
- If the decision was for the local agency, you can appeal to the State Agency within fifteen (15) days of the mailing date of the decision.
- The decision of the local hearing is binding on both parties unless overturned by the State.

Rev. 10/99

**WIC PROGRAM VERIFICATION OF CERTIFICATION (VOC)
AUTOMATED SYSTEM PROFILE
(VOC PROFILE TO TRANSFER A PARTICIPANT)**

Purpose	To transfer a currently eligible participant/enrollee to another agency/site.
When To Use	When a transfer of eligibility is requested or indicated. This format is the profile which should be used when a printer with blank paper is available at the on-line site.
System Procedure to Obtain	Request the system VOC according to the instruction in the CMS User Manual.
Disposition	Provide to the participant to give to the new agency/site. This VOC can be done and mailed to the participant or the receiving agency/site with appropriate authorization. Receiving agency/site must file in the person's medical record.
Retention	Not retained by issuing agency/site. Receiving agency/site retains per medical records requirements.

Instructions	<ol style="list-style-type: none"> 1. Enter today's date in box. 2. Enter applicant or participant name on the line. 3. Indicate appropriate reason(s) for action. If disqualified, complete reason and number of months the disqualification is effective. 4. Enter date notice is effective. Provide fifteen (15) day notice when required. 5. Indicate any other services offered. 6. Complete your agency address and phone number.
Disposition	<ol style="list-style-type: none"> 1. Provide the original to the participant. 2. File the copy in the participant's medical record.
Retention	Per medical records requirements.
Language	English (WIC-54) and Spanish (WIC-54S) versions are available.
Ordering	Ordered on CDS 880 – Want to Order WIC Forms and Supplies. Forms are packaged 100 per bundle.

WIC Program Notice of Ineligibility

Today's Date

We are sorry that _____ is not currently eligible to receive WIC services. This is due to:

☐ Being above income guidelines

☐ Not having a nutritional risk

☐ Not pregnant

☐ Not providing required proof for eligibility

☐ More than six (6) months postpartum and not breastfeeding

☐ More than one (1) year postpartum

☐ Over 5 years of age

☐ Not a Kentucky resident

☐ Being disqualified for _____. Your period of disqualification is for _____ months.

The effective date of this notice is: _____

If you did not qualify due to income or risk, please reapply if your income, household size or health/nutrition changes. Proof of household income must be provided.

As an applicant/participant in the WIC Program, you are ensured of the following:

1. Standards for eligibility and participation are the same for everyone, regardless of race, color, national origin, sex, age, or disability.
2. You may appeal any decision made by the Local Agency regarding your eligibility for the Program. The Fair Hearing Procedures are on the back of this notice.
3. The Local Agency will make health services and nutrition education available to you. You are encouraged to participate in these services. Services may include check-ups for children, shots, prenatal care, counseling for diet and family planning.

You also need to know that it is illegal for a person to be receiving food benefits from more than one WIC Program and/or CSFP at the same time.

There are other services available to you in the community. The following are based on meeting specific requirements. If interested, apply at your local Community Based Services office.

- **Food Stamp Program**
Provides assistance to purchase foods.
- **KTAP (Kentucky Transitional Assistance Program)**
Provides money payments to families which meet certain requirements.

- **Medicaid**
Helps pay certain medical expenses of pregnant women or families with dependent children.
- **Child Support Enforcement Program**
Helps locate absent parents to obtain financial and medical support for their children. Contact your local county attorney or area Child Support Enforcement office. Or call 1-800-248-1163.

Additional information on these services is available. Please ask any staff for more information.

- This agency can provide information and assistance about the dangers of the use of drugs and other harmful substances (alcohol, tobacco, prescription drugs and over-the-counter medications). If you or someone you know has questions or would like information, please ask or call.
- Other Services: _____

In accordance with Federal law and U.S. Department of Agriculture (USDA) policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

To file a complaint of discrimination, write USDA, Director, Office of Adjudication, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call toll free (866) 632-9992 (Voice). Individuals who are hearing impaired or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339; or (800) 845-6136 (Spanish). USDA is an equal opportunity provider and employer.

Local Agency Address and Phone Number

WIC-54
Rev. 5/2012

THIS IS TO REMIND YOU THAT.... REMINDER POSTCARD (WIC-51)

Purpose	To remind a participant of a missed food instrument/cash value benefit pick-up appointment and to contact the clinic.
When To Use	When a food instrument/cash value benefit pick-up appointment is missed. May be used for contact prior to termination for dropout. Do not use if the client has requested no home contact or privacy/confidentiality restrictions.
Instructions	<p>Printed side of card:</p> <ol style="list-style-type: none"> 1. Check the box applicable to this missed appointment. 2. Record your clinic phone number. <p>Blank side of card:</p> <ol style="list-style-type: none"> 1. Record name and address of the participant on the card. 2. Record return address for the clinic. <p>This information may be written on the card or labels may be used.</p>
Disposition	Mail to the participant. Documentation that the postcard was mailed must be made in the person's medical record.
Retention	Is not retained.
Language	English (WIC-51) and Spanish (WIC-51S) versions are available.
Ordering	Ordered on CDS 880 – Want to Order WIC Forms and Supplies. Forms are packaged 100 per bundle.

This Is To Remind You That...

☐ You missed your WIC appointment. Please contact your health clinic to reschedule this appointment. If we do not hear from you, you will lose food benefits for this month.

☐ You missed picking up your WIC food benefits for one month. You are now due another month. If you do not pick-up the food benefits, you will be removed from the Program. Please contact your health clinic to schedule an appointment.

LATE POLICY
Clients who do not pick up food benefits two months in a row are removed from the Program.

SAMPLE OUTREACH ANNOUNCEMENT

Purpose	General information about the WIC Program.
When To Use	To provide basic WIC Program information to the public and for outreach to potential applicants.
Instructions	Complete blank spaces with agency and/or program specific information. Provide completed release to media source. Always include contact information, i.e., the health department and phone number, and include the nondiscrimination statement for the WIC Program.
Description	A copy of any news releases should be maintained and placed in the agency/site outreach file.

Sample 1

WIC (the Special Supplemental Nutrition Program for Women, Infants and Children) is a national program that helps low-income families meet nutritional needs. WIC provides supplemental foods, health care referrals and nutrition education at no cost to low-income pregnant women and new mothers, infants and children up to 5 years of age who are found to be at nutritional risk. More information about the program is available by contacting the _____ Health Department at _____.

WIC foods include iron-fortified infant formula and infant cereal, iron-fortified "adult cereal", vitamin C-rich fruit juice, eggs, milk, cheese and peanut butter or dried beans and peas. These food items are high in one or more of the following nutrients: protein, calcium, iron, and vitamins A and C. Special infant formulas may be provided when prescribed by a physician for a specified medical reason.

Who is eligible for WIC? Pregnant, breastfeeding and postpartum women, infants and children up to age 5 are eligible for WIC. They must meet income guidelines, a state residency requirement, and be individually determined to be at risk by a health professional. To be eligible on the basis of income, an applicant's family income must fall below 185 percent of the U.S. Poverty Income Guidelines (for example: \$_____ per year for one person, \$_____ per year for two, \$_____ per year for three, etc.). People who receive Medicaid or Food Stamps automatically meet the WIC income requirements.

The WIC Program does not discriminate on the basis of race, color, national origin, age, sex or disability.

Sample 2

Kentuckians who qualify for the Women, Infants and Children (WIC) Program do not have to be unemployed or on welfare to receive benefits. A household of four with a monthly income of \$_____ may qualify.

WIC is a supplemental nutrition program for women who are pregnant, postpartum and breastfeeding, and infants and children up to five years of age.

WIC clients receive nutritious foods free of charge. Infants receive infant formula and, at the appropriate age, infant cereal and juice. Women and children receive food such as milk, cereal, juice, peanut butter, cheese, raw carrots, tuna fish, and eggs. Nutrition information and referrals for other health services are also provided. Proper nutrition along with appropriate health services helps maintain health and promotes normal growth and development.

To qualify, persons must be at nutritional risk and in a household that is at or below 185 percent of the federal poverty level. Persons that receive Medicaid or Food Stamps may also qualify.

To find out if you or your children qualify for WIC, call the _____ Health Department at _____.

The WIC Program does not discriminate on the basis of race, color, national origin, age, sex or disability.

Sample 2 – Alternate Wording

WIC provides supplemental foods, health care referrals and nutrition education at no cost to low-income pregnant women and new mothers, infants and children up to 5 years of age who are found to be at nutritional risk.

WIC foods include iron-fortified infant formula and cereal, iron fortified adult cereal, vitamin C-rich fruit juice, eggs, milk, cheese and peanut butter or dried beans or peas. WIC foods provide important nutrients of protein, calcium, iron and vitamins A and C.

Pregnant, breastfeeding and postpartum women, infants and children up to age 5 are eligible for WIC. They must meet income guidelines and be individually determined to be at nutritional risk by a health professional. To be eligible on the basis of income, the applicant's household income must be at or below 185 percent of the federal poverty guidelines, for example, \$_____ per year for a household of _____. People who receive Medicaid or Food Stamps automatically meet the WIC income requirements.

The WIC Program does not discriminate on the basis of race, color, national origin, age, sex or disability.

KENTUCKY DEPARTMENT FOR PUBLIC HEALTH RACE CARD

Purpose	For clinic staff to use for assistance in gathering race and ethnicity. The card may be handed to the applicant at registration for her/him to review and select race and ethnicity.
When To Use	As needed at registration of a new patient. Use is optional.
Disposition	Used by clinic staff. May be given to applicants for review and selection of race and ethnicity.
Language	English on front with Spanish on the back.
Ordering	Order from the State WIC Office.

Kentucky Department for Public Health

Everyone requesting services must identify their ethnic category and all races that apply. This information is requested to determine compliance with Federal laws. Your answers will not affect your receiving services and your privacy will be protected. Please tell registration staff the information below.

Select all races from the list below that apply to you if you are the patient or that apply to the patient:

White

This means a person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Black or African American

This means a person having origins in any of the black racial groups of Africa.

American Indian or Alaskan Native

This means a person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

Asian

This means a person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Native Hawaiian or Other Pacific Islander

This means a person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

Are you Hispanic or Latino?

This means a person of Cuban, Mexican, Puerto Rican, South or Central America, or other Spanish culture or origin, regardless of race.

If you do not provide this information, registration staff shall determine this through visual observation.

KENTUCKY WIC PROXY AUTHORIZATION FORM

Purpose	To describe the policy for designation of a proxy for the purpose of obtaining and sharing nutritional information, WIC benefits, and purchasing WIC approved foods.
Overview	To allow the woman participant, parent or legal representative that has completed the necessary consent for health services, to designate another person to bring their child to WIC appointments.
Designation of Proxy	All areas of the Kentucky WIC Proxy Authorization Form should be completed by the woman participant, parent or legal representative of the individual of the minor infant/child receiving WIC services. A separate proxy form must be completed for each household member requiring proxy authorization.
Instructions for Completion by Parent or Legal Representative	<ol style="list-style-type: none"> 1. Woman participant, parent or legal representative will write the name of the WIC participant on the 1st blank line. 2. Woman participant, parent or legal representative will write the name of the infant/child on the 2nd line. 3. Woman participant, parent or legal representative will write the full legal name of self or child on 3rd blank line. 4. Woman participant, parent or legal representative will list names of proxies and their relationship to the WIC participant in the spaces provided. 5. Woman participant, parent or legal representative will sign, date, and indicate their current physical address on the lines provided. 6. The proxy authorization form may be renewed at recertification IF there are no changes or additions to the proxy form, the woman participant, parent or legal representative must initial and date the form. If changes are requested to the form, a new verbal proxy authorization will be completed with current information.
Instructions for Completion when Obtaining Verbal Authorization	<p>If the local health agency is obtaining verbal proxy consent, the following applies to completion of the form.</p> <ol style="list-style-type: none"> 1. Write the name of the woman participant, parent or legal representative on the 1st blank line. 2. Write the name of the infant/child on the 2nd line. 3. Write the full legal name of the WIC participant on 3rd blank line. 4. List the full name(s) of proxies (as indicated by the woman participant, parent or legal representative) and their relationship to the WIC participant in the spaces provided. 5. In the signature line for parent or legal representative document "Refer to Verbal Authorization." Complete the current physical address on the lines provided. 6. Notify the participant, parent or legal representative of the intent of the proxy authorization and review the content of the form with them. 7. Notify the participant, parent or legal representative the proxy authorization is valid for the length of the certification period or until a request for change has been made by the woman participant, parent or legal representative. 8. Sign and date on indicated line as staff person who obtained verbal authorization.
Disposition	Place this form in the patient's medical record and document (Refer to WIC Proxy Form) on the CH-3a Service Record. (i.e. 6/1/2012 – Refer to KY-Proxy form.)
Retention	Per medical records requirements.
Ordering	Contact the State WIC Office.
